**"41-3-101. Declaration of policy.** (1) It is the policy of the state of Montana to:

- (a) provide for the protection of children whose health and welfare are or may be adversely affected and further threatened by the conduct of those responsible for the children's care and protection;
- (b) achieve these purposes in a family environment and preserve the unity and welfare of the family whenever possible;

1 (c) ensure that there is no forced removal of a child from the family based solely on an allegation  
2 of abuse or neglect unless the department has reasonable cause to suspect that the child is at imminent risk of  
3 ~~harm~~ without first obtaining a warrant from a court unless:

4 (i)- the child is likely to experience sexual abuse, ~~or serious bodily injury~~ PHYSICAL ABUSE, or  
5 physical neglect in the time that would be required to obtain a warrant;

6 (ii) a child is in a position in which care is not available from a parent, guardian, or other individual  
7 designated by the parent or guardian and deemed responsible by a child protection specialist or peace officer;

8 (iii) there is reason to believe the parent will flee the jurisdiction with the child if given the  
9 opportunity; or

10 (iv) a parent consents to the temporary removal pursuant to a voluntary written prevention plan  
11 established under 41-3-302(3)(a);

12 (d) recognize that a child is entitled to assert the child's constitutional rights;

13 (e) ensure that all children have a right to a healthy and safe childhood in a permanent placement;

14 and

15 (f) ensure that whenever removal of a child from the home is necessary, the child is entitled to  
16 maintain ethnic, cultural, and religious heritage whenever appropriate.

17 (2) It is intended that the mandatory reporting of abuse or endangerment cases by professional  
18 people and other community members to the appropriate authority will cause the protective services of the state  
19 to seek to prevent further abuses, protect and enhance the welfare of these children, and preserve family life  
20 whenever appropriate.

21 (3) In implementing this chapter, whenever it is necessary to remove a child from the child's home,  
22 the department shall, when it is in the best interests of the child, place the child with the child's noncustodial  
23 birth parent or with the child's extended family, including adult siblings, grandparents, great-grandparents,  
24 aunts, and uncles, when placement with the extended family is approved by the department, prior to placing the  
25 child in an alternative protective or residential facility. Prior to approving a placement, the department shall  
26 investigate whether anyone living in the home has been convicted of a crime involving serious harm to children.

27 (4) (a) The department shall create a registry for voluntary registration by close relatives of a child  
28 for purposes of notifying those relatives when a child that is related has been removed from the child's home

1 pursuant to this chapter.

2 (b) The registry must contain the names of the child and the child's parents and may contain the  
3 names of the child's grandparents, aunts, uncles, adult brothers, and adult sisters and must contain the contact  
4 information for the child and parents and any of the relatives whose names appear in the registry.

5 (5) The department shall consult the registry and notify the relatives on the registry on the first  
6 working day after placing the child in accordance with 41-3-301.

7 (6) The department may charge a fee commensurate with the cost of operating the registry. The  
8 fee may be charged only to those persons whose names are voluntarily entered in the registry.

9 (7) The department shall ensure that department training and policies comply with constitutional  
10 requirements.

11 ~~(7)~~(8) In implementing the policy of this section, the child's health and safety are of paramount  
12 concern."

16 (1) (a) "Abandon", "abandoned", and "abandonment" mean:

18 intend to resume care of the child in the future;

19 (ii) willfully surrendering physical custody for a period of 6 months and during that period not  
20 manifesting to the child and the person having physical custody of the child a firm intention to resume physical  
21 custody or to make permanent legal arrangements for the care of the child;

22 (iii) that the parent is unknown and has been unknown for a period of 90 days and that reasonable  
23 efforts to identify and locate the parent have failed; or

24 (iv) the voluntary surrender, as defined in 40-6-402, by a parent of a newborn who is no more than  
25 30 days old to an emergency services provider, as defined in 40-6-402.

26 (b) The terms do not include the voluntary surrender of a child to the department solely because of  
27 parental inability to access publicly funded services.

28 (2) "A person responsible for a child's welfare" means:

1 (a) the child's parent, guardian, or foster parent or an adult who resides in the same home in which  
2 the child resides;

3 (b) a person providing care in a day-care facility;

4 (c) an employee of a public or private residential institution, facility, home, or agency; or

5 (d) any other person responsible for the child's welfare in a residential setting.

6 (3) "Abused or neglected" means the state or condition of a child who has suffered child abuse or  
7 neglect.

10 withholding of medically indicated treatment or medically indicated psychological care permitted or authorized  
11 under state law.

12 (b) This chapter may not be construed to require or justify a finding of child abuse or neglect for the  
13 sole reason that a parent or legal guardian, because of religious beliefs, does not provide adequate health care  
14 for a child. However, this chapter may not be construed to limit the administrative or judicial authority of the  
15 state to ensure that medical care is provided to the child when there is imminent substantial risk of serious harm  
16 to the child.

17 (5) "Best interests of the child" means the physical, mental, and psychological conditions and

7 1912(f).

8 (d) The term does not include self-defense, defense of others, or action taken to prevent the child  
9 from self-harm that does not constitute physical or psychological harm to a child. Substance use by a parent or

11 alone constitute physical or psychological harm to a child.

12 (8) "Child protection specialist" means an employee of the department who investigates allegations  
13 of child abuse, neglect, and endangerment and has been certified pursuant to 41-3-127.

12 to control the youth's behavior.

13 (23) (a) "Protective services" means services provided by the department:

14 (i) to enable a child alleged to have been abused or neglected to remain safely in the home;

15 (ii) to enable a child alleged to have been abused or neglected who has been removed from the

18 (33) "Treatment plan" means a written agreement between the department and the parent or

25 ameliorating or correcting the conditions.

1           **Section 8.** Section 41-3-423, MCA, is amended to read:

2           **"41-3-423. Reasonable efforts required to prevent removal of child or to return -- exemption --**  
3 **findings -- permanency plan.** (1) (a) The department shall make reasonable efforts to prevent the necessity of  
4 removal of a child from the child's home and to reunify families that have been separated by the state. The  
5 application for a warrant to remove a child from the child's home pursuant to [section 1] does not absolve the  
6 department from the duty to make reasonable efforts to prevent the necessity of removal.

7           (b)    (i)–For the purposes of this subsection (1), the term "reasonable efforts" means the department  
8 shall in good faith ~~develop and implement voluntary services agreements and treatment plans that are designed~~  
9 ~~to preserve the parent-child relationship and the family unit and shall in good faith assist parents in completing~~  
10 ~~voluntary services agreements and treatment plans;~~

11           (i)    conduct a comprehensive assessment of the circumstances of the family, with a focus on safe  
12 reunification as the most desirable goal. The assessment must be provided to the parents and to counsel for  
13 the parents.

14           (ii)   identify appropriate services and help the parents overcome barriers, including actively  
15 assisting the parents in obtaining appropriate services;

16           (iii)   with parental consent, identify and invite the extended family to participate in providing support  
17 and services to the family and to participate in family team meetings, permanency planning, and resolution of  
18 placement issues;

19           (iv)   conduct or cause to be conducted a diligent search for the child's extended family members  
20 and contact and consult with extended family members to provide family structure and support for the child and  
21 the parents;

22           (v)    offer and employ all available and culturally appropriate family preservation strategies and  
23 facilitate the use of remedial and rehabilitative services;

24           (vi)   take steps to keep siblings together whenever possible;

25           (vii)   support regular visits with parents in the most natural setting possible, as well as trial home  
26 visits with the child during any period of removal, consistent with the need to ensure the health, safety, and  
27 welfare of the child;

28           (viii)   identify community resources, including housing, financial, transportation, mental health,

1 substance abuse, and peer support services, and actively assist the parents or, when appropriate, the child's  
2 family in utilizing and accessing the resources;

3 (ix) monitor progress and participation in services; and

4 (x) consider alternative ways to address the needs of the parents and, when appropriate, the  
5 family if the optimum services do not exist or are not available.

6 ~~(ii) The term includes but is not limited to:~~

7 ~~(A) written prevention plans;~~

8 ~~(B) development of individual written case plans specifying state efforts to preserve or reunify~~  
9 ~~families;~~

10 ~~(C) placement in the least disruptive setting possible with priority given to family placement as~~  
11 ~~provided in 41-3-439 ;~~

12 ~~(D) provision of services pursuant to a case plan that is designed to address the parent's treatment~~  
13 ~~and other needs precluding the parent from safely parenting, including but not limited to individual and family~~  
14 ~~therapy, parent education, substance abuse treatment, and trauma related services; and~~

15 ~~(E) periodic review of each case to ensure timely progress toward reunification or permanent~~  
16 ~~placement.~~

17 (c) In determining preservation or reunification services to be provided and in making reasonable  
18 efforts at providing preservation or reunification services, the child's health and safety are of paramount  
19 concern.

20 (2) Except in a proceeding subject to the federal Indian Child Welfare Act, the department may, at  
21 any time during an abuse and neglect proceeding, make a request for a determination that preservation or  
22 reunification services need not be provided. If an indigent parent is not already represented by counsel, the  
23 court shall immediately provide for the appointment or assignment of counsel to represent the indigent parent in  
24 accordance with the provisions of 41-3-425. A court may make a finding that the department need not make  
25 reasonable efforts to provide preservation or reunification services if the court finds that the parent has:

26 (a) subjected a child to aggravated circumstances, including but not limited to abandonment,  
27 torture, chronic abuse, or sexual abuse or chronic, severe neglect of a child;

28 (b) committed, aided, abetted, attempted, conspired, or solicited deliberate or mitigated deliberate

1 homicide of a child;

2 (c) committed aggravated assault against a child;

3 (d) committed neglect of a child that resulted in serious bodily injury or death; or

4 (e) had parental rights to the child's sibling or other child of the parent involuntarily terminated and  
5 the circumstances related to the termination of parental rights are relevant to the parent's ability to adequately  
6 care for the child at issue.

7 (3) Preservation or reunification services are not required for a putative father, as defined in 42-2-  
8 201, if the court makes a finding that the putative father has failed to do any of the following:

9 (a) contribute to the support of the child for an aggregate period of 1 year, although able to do so;

10 (b) establish a substantial relationship with the child. A substantial relationship is demonstrated by:

11 (i) visiting the child at least monthly when physically and financially able to do so; or

12 (ii) having regular contact with the child or with the person or agency having the care and custody  
13 of the child when physically and financially able to do so; and

14 (iii) manifesting an ability and willingness to assume legal and physical custody of the child if the  
15 child was not in the physical custody of the other parent.

16 (c) register with the putative father registry pursuant to Title 42, chapter 2, part 2, and the person  
17 has not been:

18 (i) adjudicated in Montana to be the father of the child for the purposes of child support; or

19 (ii) recorded on the child's birth certificate as the child's father.

20 (4) A judicial finding that preservation or reunification services are not necessary under this section  
21 must be supported by clear and convincing evidence.

22 (5) If the court finds that preservation or reunification services are not necessary pursuant to  
23 subsection (2) or (3), a permanency hearing must be held within 30 days of that determination and reasonable  
24 efforts, including consideration of both in-state and out-of-state permanent placement options for the child, must  
25 be made to place the child in a timely manner in accordance with the permanency plan and to complete  
26 whatever steps are necessary to finalize the permanent placement of the child.

27 (6) If reasonable efforts have been made to prevent removal of a child from the home or to return a  
28 child to the child's home but continuation of the efforts is determined by the court to be inconsistent with the

1 permanency plan for the child, the department shall make reasonable efforts to place the child in a timely  
2 manner in accordance with the permanency plan, including, if appropriate, placement in another state, and to  
3 complete whatever steps are necessary to finalize the permanent placement of the child. Reasonable efforts to  
4 place a child permanently for adoption or to make an alternative out-of-home permanent placement may be  
5 made concurrently with reasonable efforts to return a child to the child's home. Concurrent planning, including  
6 identifying in-state and out-of-state placements, may be used.

7 (7) When determining whether the department has made reasonable efforts to prevent the  
8 necessity of removal of a child from the child's home or to reunify families that have been separated by the  
9 state, the court shall review the services provided by the agency including, if applicable, protective services  
10 provided pursuant to 41-3-302."

10 at the court's expense for a guardian ad litem or a court-appointed special advocate involved in a proceeding  
11 under a petition filed pursuant to 41-3-422.

12 ~~(5)~~(4) Except as provided in the federal Indian Child Welfare Act, a court may not appoint a public  
13 defender to a putative father, as defined in 42-2-201, of a child or youth in a removal, placement, or termination  
14 proceeding pursuant to 41-3-422 until:

15 (a) the putative father is successfully served notice of a petition filed pursuant to 41-3-422; and

16 (b) the putative father makes a request to the court in writing to appoint the office of state public  
17 defender to assign counsel."

18
