BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

NEW SECTION. Section 1. Certificate of nonviable birth -- requirements. (1) The department shall establish a certificate of nonviable birth on a form adopted by the department and meeting the requirements of subsection (4). On request by a parent, a certificate of nonviable birth must be filed in addition to the fetal death certificate provided for in 50-15-403 and must be provided to the parent.

- (2) In the instance of a nonviable birth, the person authorized to register a fetal death shall advise a parent:
 - (a) of the manner in which a request for a certificate of nonviable birth may be made;
 - (b) that the parent must request the certificate within 2 weeks of the nonviable birth; and
 - (c) (i) that the original certificate of nonviable birth is available as a public record; and
 - (ii) that the parentage, marital status of the parent, cause of death of the fetus, and any medical information will not be included as a public record.

- 1 (3) A request for a certificate of nonviable birth must:
- 2 (a) be made within 2 weeks of the birth on a form prescribed by the department by rule; and
- 3 (b) include the date of the nonviable birth and the county in which the birth occurred.
- 4 (4) The certificate of nonviable birth prepared by the department must contain:
- 5 (a) the date of the nonviable birth;
- 6 (b) the county in which the birth occurred;
- 7 (c) the name of the fetus, as provided on the fetal death certificate pursuant to 50-15-403. If a
- 8 name does not appear on the original or amended fetal death certificate and the requesting parent does not
- 9 wish to provide a name, the department shall fill in the certificate with the name "baby boy", "baby girl", or, if the
- 10 sex of the child is unknown, "baby" and the last name of the parent as provided in 50-15-221.
- 11 (5) The following statement must appear on the front of the certificate: "This certificate is not proof
- 12 of a live birth".
- 13 (6) A certificate of nonviable birth is a public record, and a copy of the original certificate is
- 14 available as a public record. The parentage, marital status of the parent, cause of death of the fetus, and any
- 15 medical information may not be included as part of the public record.
- 16 (7) It is a final agency action, not subject to review under the Montana Administrative Procedure
- 17 Act, for the department to refuse to issue a certificate of nonviable birth to a person who is not a parent named
- 18 on the fetal death certificate.
- 19 (8) The department may not use a certificate of nonviable birth to calculate live birth statistics.
- 20 (9) This section may not be used to establish, bring, or support:
- 21 (a) a civil cause of action seeking damages against any person or entity for bodily injury, personal
- 22 injury, or wrongful death for a nonviable birth; or
