HB0368.001.001

1	are not part of the state-maintained federal-aid highway system.
2	(4)(3) (a) Subject to the provisions of subsection $(4)(b)(3)(b)$ , if all of the shared-use paths in the
3	district state are maintained and repaired at a level that meets or exceeds the standards established pursuant
4	to 60-3-304(3)(c)-or if there are no shared-use paths in the district that are not part of the state-maintained
5	federal-aid highway system, any funds remaining in a fiscal year must be equally distributed to each of the five
6	districts established in 2-15-2502 and may be used to construct new shared-use paths within the district.
7	(b) Prior to the construction or extension of a shared-use path, the department shall enter into a
8	maintenance agreement with the county or municipality, or both, in which the path is proposed to be
9	constructed or extended. The maintenance agreement may provide that maintenance be conducted by the
10	county or the municipality, by both the county and the municipality, by the department, or by a combination of
11	those entities. Based on the maintenance agreement and available funding, the department shall transfer funds
12	from the account established in 61-3-321(21)(a) to the appropriate county or municipality as provided for in the
13	maintenance agreement. If the maintenance agreement provides for maintenance by the department, the
14	department shall use the funds in the account for that purpose."
