13 **NEW SECTION. Section 5. Reckless endangerment of emergency personnel ~~or~~ reckless**

14 **endangerment of highway workers.** (1) (a) An operator of a vehicle who violates [section 4] when an
15 emergency vehicle is stationary and using its emergency lights or siren commits the offense of reckless
16 endangerment of emergency personnel. ~~or~~

17 (b) An operator of a vehicle who violates [section 4] when a highway worker vehicle is stationary
18 and using its emergency lights commits the offense of reckless endangerment of highway workers.

19 (2) An operator of a vehicle commits the offense of reckless endangerment of highway workers if
20 the person purposely, knowingly, or negligently drives a motor vehicle in a highway work zone, as defined in
21 61-8-314, in a manner that endangers persons or property or if the person purposely removes, ignores, or
22 intentionally strikes an official traffic control device in a work zone for reasons other than:

23 (a) avoidance of an obstacle;

24 (b) an emergency; or

25 (c) to protect the health and safety of an occupant of the vehicle or of another person.

26 (2)(3) Reckless endangerment of emergency personnel or reckless endangerment of highway
27 workers is punishable under 61-8-715.

28

1 NEW SECTION. **Section 6. Duty of emergency driver -- duty of highway worker.** (1) [Sections 3
2 and 4] do not relieve the driver of a law enforcement vehicle or authorized emergency vehicle from the duty to
3 drive with due regard for the safety of all persons using the highway.

4 (2) [Section 4] does not relieve a highway worker of the duty to take standard safety precautions or
5 to behave reasonably under the circumstances.

6

7 **Section 7.** Section 61-8-301, MCA, is amended to read:

8 **"61-8-301. Reckless driving—~~reckless endangerment of highway worker.~~** (1) A person commits
9 the offense of reckless driving if the person:

10 (a) operates a vehicle in willful or wanton disregard for the safety of persons or property; or

11 (b) operates a vehicle in willful or wanton disregard for the safety of persons or property while
12 passing, in either direction, a school bus that has stopped and is displaying the visual flashing red signal, as
13 provided in 61-8-351 and 61-9-402. This subsection (1)(b) does not apply to situations described in 61-8-
14 351(7).

15 (2) A municipality may enact and enforce 61-8-715 and subsection (1) of this section as an
16 ordinance.

17 (3) A person who is convicted of the offense of reckless driving or of reckless endangerment of a
18 highway worker is subject to the penalties provided in 61-8-715.

19 ~~(4)—(a) A person commits the offense of reckless endangerment of a highway worker if the person~~
20 ~~purposely, knowingly, or negligently drives a motor vehicle in a highway work zone in a manner that endangers~~
21 ~~persons or property or if the person purposely removes, ignores, or intentionally strikes an official traffic control~~
22 ~~device in a work zone for reasons other than:~~

23 ~~(i) avoidance of an obstacle;~~

24 ~~(ii) an emergency; or~~

25 ~~(iii) to protect the health and safety of an occupant of the vehicle or of another person.~~

26 ~~(b) As used in this section:~~

27 ~~(i) "highway worker" means an employee of the department of transportation, a local authority, a utility~~
28 ~~company, or a private contractor; and~~

~~(ii) "work zone" has the meaning provided in 61-8-314."~~

Section 8. Section 61-8-321, MCA, is amended to read:

"61-8-321. Drive on right side of roadway -- exceptions. (1) Upon all roadways of sufficient width, a vehicle must be operated upon the right half of the roadway, except as follows:

(a) when overtaking and passing another vehicle proceeding in the same direction under the rules governing the passing movement;

(b) when the right half of a roadway is closed to traffic while under construction or repair;

(c) upon a roadway divided into three marked lanes for traffic under the rules applicable on a divided roadway;

(d) upon a roadway designated by official traffic control devices for one-way traffic;

(e) when the operator of a vehicle is complying with the provisions of 61-8-346 [section 3 or 4];

(f) when an obstruction exists that makes it necessary to drive to the left of the center of the roadway; or

(g) when a police vehicle or authorized emergency vehicle is performing a job-related duty as provided in 61-8-107.

(2) A person operating a vehicle to the left of the center of the roadway for any of the reasons provided in subsection (1) shall yield the right-of-way to all vehicles traveling in the proper direction upon the unobstructed portion of the roadway that are within a distance that constitutes an immediate hazard.

(3) (a) Except as provided in subsection (3)(b) and subject to subsection (4), upon all roadways having two or more lanes for traffic moving in the same direction, a vehicle must be driven in the right-hand lane.

(b) A vehicle being operated upon a roadway having two or more lanes for traffic moving in the same direction is not required to be driven in the right-hand lane when:

(i) overtaking and passing another vehicle proceeding in the same direction;

(ii) traveling at a speed greater than the traffic flow;

(iii) moving left to allow traffic to merge;

(iv) traveling on a roadway within the official boundaries of a city or town, except as provided in

1 subsection (4);

2 (v) preparing for a left turn at an intersection or into a private road or driveway when a left turn is
3 legally permitted;

4 (vi) exiting onto a left-hand exit from a controlled-access highway;

5 (vii) an obstruction or hazardous conditions make it necessary to drive in a lane other than the right-
6 hand lane;

7 (viii) road or vehicle conditions make it safer to drive in a lane other than the right-hand lane; or

8 (ix) authorized snow-removal equipment is operating on the roadway.

9 (4) When traveling upon an interstate highway, as defined in 60-1-103, within the official
10 boundaries of a city or town, a vehicle must be driven in the right-hand lane unless otherwise directed or
11 permitted by an official traffic control device."
12

13 **Section 9.** Section 61-8-715, MCA, is amended to read:

14 **"61-8-715. Reckless driving -- ~~reckless endangerment of highway workers~~ -- reckless**
15 **endangerment of emergency personnel or highway workers -- penalty.** (1) Except as provided in
16 subsection (2), a person convicted of reckless driving under 61-8-301(1)(a) or (1)(b), ~~convicted of reckless~~
17 ~~endangerment of a highway worker under 61-8-301(4),~~ convicted of reckless endangerment of a highway
18 worker under [section 5], or convicted of reckless endangerment of emergency personnel or reckless
19 endangerment of highway workers under ~~61-8-346~~ [section 5] shall be punished ~~upon~~ on a first conviction by
20 imprisonment for a term of not more than 90 days, a fine of not less than \$100 or more than \$500, or both. On a
21 second or subsequent conviction, the person shall be punished by imprisonment for a term of not less than 10
22 days or more than 6 months, a fine of not less than \$500 or more than \$1,000, or both.

23 (2) A person who is convicted of reckless driving under 61-8-301 or convicted of reckless
24 endangerment of emergency personnel or reckless endangerment of highway workers under ~~61-8-346~~ [section
25 5] and whose offense results in the death or serious bodily injury of another person shall be punished by a fine
26 in an amount not exceeding \$10,000, incarceration for a term not to exceed 1 year, or both."

HB0470.001.004

- 1 **"61-9-402. Audible and visual signals on police, emergency vehicles, and on-scene command**
2 **vehicles -- immunity.** (1) A police vehicle must be equipped with a siren capable of giving an audible signal
3 and may be equipped with alternately flashing or rotating red or blue lights as specified in this section.
- 4 (2) An authorized emergency vehicle must be equipped:
5 (a) with a siren and an alternately flashing or rotating red light as specified in this section; and
6 (b) with signal lamps mounted as high and as widely spaced laterally as practicable that are
7 capable of displaying to the front two alternately flashing red lights located at the same level and to the rear two
8 alternately flashing red lights located at the same level. These lights must have sufficient intensity to be visible
9 at 500 feet in normal sunlight.
- 10 (3) (a) A bus used for the transportation of school children must be equipped with signal lamps
11 mounted as high and as widely spaced laterally as practicable, displaying to the front at least two red and two
12 amber alternating flashing lights and to the rear at least two red and two amber alternating flashing lights.
13 These lights must have sufficient intensity to be visible at 500 feet in normal sunlight.
- 14 (b) Additional red flashing lights may be mounted to the front and to the rear at a height of at least
15 36 inches and not more than 72 inches from the ground. If additional red lights are mounted, they must be
16 installed so that they can be actuated only if the school bus is stopped.
- 17 (c) The specifications for the warning lights must be prescribed by the board of public education
18 and approved by the department.
- 19 (4) A police vehicle and an authorized emergency vehicle may, and an emergency service vehicle
20 must, be equipped with alternately flashing or rotating amber lights as specified in this section.
- 21 (5) The use of signal equipment as described in this section imposes upon the operators of other
22 vehicles the obligation to yield right-of-way or to stop and to proceed past the signal or light as provided in ~~61-8-~~
23 ~~346 [sections 4 and 5]~~ and subject to the provisions of 61-8-209 and 61-8-303.
- 24 (6) An employee, agent, or representative of the state or a political subdivision of the state or of a
25 governmental fire agency organized under Title 7, chapter 33, who is operating a police vehicle, an authorized

1 negligence, for injuries, costs, damages, expenses, or other liabilities resulting from a motorist operating a
2 vehicle in violation of subsection (5).

3 (7) Blue, red, and amber lights required in this section must be mounted as high as and as widely
4 spaced laterally as practicable and be capable of displaying to the front two alternately flashing lights of the
5 specified color located at the same level and to the rear two alternately flashing lights of the specified color
6 located at the same level or one rotating light of the specified color, mounted as high as is practicable and
7 visible from both the front and the rear. These lights must have sufficient intensity to be visible at 500 feet in
8 normal sunlight. Except as provided in 61-9-204(6), only police vehicles, as defined in 61-8-102, may display
9 blue lights, lenses, or globes.

10 (8) A police vehicle and authorized emergency vehicle may be equipped with a flashing signal
11 lamp that is green in color, visible from 360 degrees, and attached to the exterior roof of the vehicle for
12 purposes of designation as the on-scene command and control vehicle in an emergency or disaster. The green
13 light must have sufficient intensity to be visible at 500 feet in normal sunlight. Only the on-scene command and
14 control vehicle may display green lights, lenses, or globes.

15 (9) Only a police vehicle or an authorized emergency vehicle may be equipped with the means to
16 flash or alternate its headlamps or its backup lights.

17 (10) A violation of subsection (5) is considered reckless endangerment of a highway worker, as
18 provided in ~~61-8-301(4)~~ section 5(2), and is punishable as provided in 61-8-715."

19

20 **Section 11.** Section 61-9-431, MCA, is amended to read:

21 **"61-9-431. Use of warning signs, flares, reflectors, lanterns, and flag persons.** (1) The operator
22 of a commercial tow truck, in compliance with the requirements of 61-8-906 and 61-8-907, shall, when
23 rendering assistance at a hazard on the highway that necessitates the obstruction of a portion or all of the
24 roadway exclusive of the berm or shoulder, place at least two warning signs as required in this section as soon
25 as is practicable under the circumstances. Flag persons and cones may be used to augment the warning signs.

26 (2) Highway warning signs must be of a uniform type, with dimensions of 3 x 3 feet, lettering 5
27 inches high, and reflectorized orange or reflectorized fluorescent pink background and black border, as
28 prescribed by the department. The signs must be designed to be visible both during the day and at night. The

1 warning signs must bear the words "accident ahead", "emergency vehicle ahead", "lane closed ahead", "road
2 closed ahead", "wreck ahead", "tow truck ahead", or "wrecker ahead", as prescribed by the department.

3 (3) The operator of a commercial tow truck used for the purpose of rendering assistance at a
4 hazard on the highway that necessitates the obstruction of a portion of the roadway shall place a highway
5 warning sign as required in subsection (2):

6 (a) in an area in which the posted speed limit is 45 miles an hour or less, not less than 600 feet in
7 advance of the hazard and an equal distance to the rear of the hazard; and

8 (b) in an area in which the posted speed limit is more than 45 miles an hour or no speed limit is
9 posted, 1,000 feet in advance of the hazard, except on a divided highway where the hazard does not cause
10 disruption of traffic traveling on the opposite side of the divided highway, and an equal distance to the rear of
11 the hazard.

12 (4) A local government unit may adopt an ordinance exempting an operator of a commercial tow
13 truck from the requirements of subsection (2) within the limits of an incorporated city or town.

14 (5) When a hazard exists on the highway during the hours of darkness, the operator of a
15 commercial tow truck called to render assistance shall place warning signs upon the highway as prescribed in
16 this section and shall also place at least one red flare, red lantern, or warning light or reflector in close proximity
17 to each warning sign.

18 (6) A violation of warning signs placed as provided in subsection (3) is considered reckless
19 endangerment of a highway worker, as provided in [61-8-301\(4\)](#) [\[section 5\(2\)\]](#), and is punishable as provided in
