HB0856.002.001

- 1 (c) increase citizen access to legislators and the legislative process;
- 2 (d) locate priority functions and entities to be located within the walls of the capitol;
- 3 (e) relocate functions and entities not required to be located within the walls of the capitol;
- 4 (f) address deficiencies in legislator and legislative support staff spaces;
- 5 (g) improve adjacencies and colocation where functional efficiencies can be gained;
- 6 (h) provide flexible spaces for long-term efficiencies, performance, and cost reduction;
- 7 (i) improve workforce efficiencies, recruiting, and retention, including telework-friendly design; and
- 8 (j) implement telework opportunities.

9 (2) Priority must be given to projects that improve the legislative process by providing individual
10 office space for legislators, expanding or adding public hearing rooms, or increasing the availability of space for
11 constituent meetings and outreach.

12 (3) Moving and relocation costs of legislative branch functions moved or relocated in the
13 implementation of this section may be paid from these funds. Renovation or construction costs, including
14 relocation costs, for moving non-legislative branch functions or agencies out of the capitol must be paid from
15 the funds in the account established in [section 9].

16 (4) The legislative branch long-range capital plan must be updated at a minimum on a decennial
17 basis and prior to undertaking any major capital development exceeding \$5 million not included in the current
18 capitol plan in effect.

19 (5) The legislature may transfer from the account established in [section 11] to the major repair
20 long-range building program account or the capital developments long-range building program account for
21 legislative branch capital projects within the capitol complex.

22 (6) The legislative council, with consultation of the legislative finance committee and legislative
23 audit committee, shall serve as a long-range building committee to recommend to the legislature and the
24 department of administration construction and remodeling priorities for the capitol and capitol complex.

25
26 **NEW SECTION. Section 13. Transfer of funds.** (1) By June 30, 2023, the state treasurer shall
27 transfer ~~\$25~~ \$12.5 million from the general fund to the account established in [section 9] and ~~\$25~~ \$12.5 million
28 from the general fund to the state special revenue account established in [section 11].

68th Legislature 2023

Drafter: Julie Johnson, 406-444-4024

HB0856.002.001

1 (2) By June 30, 2024, the state treasurer shall transfer ~~\$25~~ \$12.5 million from the general fund to
2 the account established in [section 9] and ~~\$25~~ \$12.5 million from the general fund to the state special revenue
3 account established in [section 11].

4 (3) By June 30, 2025, the state treasurer shall transfer ~~\$25~~ \$12.5 million from the general fund to
5 the account established in [section 9] and ~~\$25~~ \$12.5 million from the general fund to the state special revenue
6 account established in [section 11].

7
8 **NEW SECTION. Section 14. Appropriation.** (1) There is appropriated ~~\$25~~ \$12.5 million from the
9 capitol complex legislative branch long-range capital projects account established in [section 11] to the
10 legislative branch for the biennium beginning July 1, 2023, for the purposes set forth in subsections (2) through
11 (4).

12 (2) Up to ~~\$5~~ \$2.5 million of the appropriation may be used to:

13 (i) pay for the development of a long-range legislative branch capital development plan; and

14 (ii) plan, renovate, replace, and construct capital improvements for the exclusive use of the
15 legislative branch.

16 (3) There is appropriated \$120,000 from the capitol complex legislative branch long-range capital
17 projects account established in [section 11] to the legislative branch in the fiscal years beginning July 1, 2023,
18 and July 1, 2024, to support 1.0 FTE and associated operating costs for a legislative branch facilities manager
19 for the biennium beginning July 1, 2023. The legislature may use this appropriation for contracted services. The
20 legislature intends that the appropriation in this section be considered part of the ongoing base for the next
21 legislative session.

22 (4) The balance of the appropriation may be used to plan, renovate, replace, and construct capital
23 improvements for the exclusive use of the legislative branch based on recommendations of the long-range
24 legislative branch capitol development plan.

25 (5) The appropriation authorized in subsection (4) constitutes legislative consent for a capital
26 project for the legislative branch within the meaning of 18-2-102.
