2 established under 49 U.S.C. 31309.

3 (2) (a) The department shall examine each applicant for a driver's license or motorcycle 4 endorsement, except as otherwise provided in this section. The examination must include a test of the 5 applicant's eyesight, a knowledge test examining the applicant's ability to read and understand highway signs 6 and the applicant's knowledge of the traffic laws of this state, and, except as provided in 61-5-118, a road test 7 or a skills test demonstrating the applicant's ability to exercise ordinary and reasonable control in the safe 8 operation of a motor vehicle or motorcycle. The road test or skills test must be performed by the applicant in a 9 motor vehicle that the applicant certifies is representative of the class and type of motor vehicle for which the 10 applicant is seeking a license or endorsement. 11 (b) The knowledge test, road test, or skills test may be waived by the department: 12 upon certification of the applicant's successful completion of the test by a certified cooperative (i) 13 driver testing program as provided in subsection (3) (4) or by a certified third-party commercial driver testing 14 program as provided in 61-5-118; or in accordance with a driver's license reciprocity agreement between the department and a 15 (ii) 16 foreign country. 17 The skills test may be waived by the department upon the applicant's completion of the (c) 18 requirements of 61-5-123. 19 The department shall, pursuant to administrative rule authority granted in 61-14-202(4), (5), (3) 20 and (6), conduct records checks prior to processing a nonexempt commercial driver's license application and 21 prior to renewing, transferring, or upgrading a commercial driver's license or commercial learner's permit, and 22 shall act in conformity with the legislative direction provided in 61-14-202(5) and (6) upon receiving results from 23 records checks. The department shall implement the administrative rules on or before January 1, 2024. 24 (3)(4) The department is authorized to certify as a cooperative driver testing program any state-25 approved high school traffic education course offered by or in cooperation with a school district that employs an 26 approved instructor who has current endorsement from the superintendent of public instruction as a teacher of 27 traffic education or any motorcycle safety training course approved by the board of regents and that employs an 28 approved instructor of motorcycle safety training and who agrees to:

3 approved by the board of regents;

4 (b) certify the test results to the department; and

5 (c) comply with regulations of the department, the superintendent of public instruction, and the

6 board of regents.

(4)(5) (a) Except as otherwise provided by law, an applicant who has a valid driver's license issued by
another jurisdiction may surrender that license for a Montana license of the same class, type, and endorsement
upon payment of the required fees and successful completion of a vision examination. In addition, an applicant
surrendering a commercial driver's license issued by another jurisdiction shall successfully complete any
examination required by federal regulations before being issued a commercial driver's license by the

12 department.

(b) The department may require an applicant who surrenders a valid driver's license issued by
another jurisdiction to submit to a knowledge and road or skills test if:

(i) the applicant has a physical or mental disability, limitation, or condition that impairs, or may
impair, the applicant's ability to exercise ordinary and reasonable control in the safe operation of a motor
vehicle on the highway; and

(ii) the surrendered license does not include readily discernible adaptive equipment or operational
 restrictions appropriate to the applicant's functional abilities; or

20 (iii) the applicant wants to remove or modify a restriction imposed on the surrendered license.

(c) When a license from another jurisdiction is surrendered, the department shall notify the issuing
agency from the other jurisdiction that the applicant has surrendered the license. If the applicant wants to retain
the license from another jurisdiction for identification or other nondriving purposes, the department shall place a
distinctive mark on the license, indicating that the license may be used for nondriving purposes only, and return
the marked license to the applicant.

26 (5)(6) The department may enter into a reciprocity agreement with a foreign country to provide for the 27 mutual recognition and exchange of a valid driver's license issued by this state or the foreign country if the 28 department determines that the licensing standards of the foreign country are comparable to those of this state.

1 The agreement may not include the reciprocal exchange of a commercial driver's license." 2 3 Section 3. Section 61-14-202, MCA, is amended to read: 4 "61-14-202. Rulemaking authority -- commercial driver licensing. (1) The department shall adopt 5 rules governing the classification of commercial driver's licenses and related endorsements and the 6 examination of commercial driver's license applicants and renewal applicants that the department considers 7 necessary for the safety and welfare of the traveling public. The rules must: 8 (a) subject to the department's functional and vision requirements, conform to the licensing 9 standards and requirements of 49 CFR, part 383, the medical gualification of 49 CFR, part 391, and the 10 security threat assessment provisions of 49 CFR, part 1572; 11 (b) allow for the issuance of an interstate commercial driver's license; 12 allow for the issuance of an intrastate-only commercial driver's license, including the (c) establishment of medical qualification and visual acuity standards; 13 14 (d) establish the requirement for the issuance of a seasonal commercial driver's license, including 15 the waiver of the knowledge and skills test for a qualified person employed in a farm-related service industry; 16 (e) establish the operational and seasonal restrictions for a seasonal commercial driver's license; 17 (f) establish the requirements for the medical statement that must be submitted for a person to be 18 qualified for a commercial driver's license; and 19 allow for and establish the requirements for the issuance of a commercial learner's permit. (g) 20 (2) The department shall adopt rules governing the minimum standards for certification of a third-21 party commercial driver testing program and any test waiver under 61-5-118 and governing the certification, 22 operation, and monitoring of third-party skills testing programs. The rules must: 23 (a) substantially comply with the licensing standards and requirements of 49 CFR, part 383, and 24 the state compliance standards of 49 CFR, part 384, including: 25 (i) issuance of a commercial driver's license skills testing certificate to a certified program upon 26 execution of a third-party skills testing agreement;

(ii) requiring that all third-party skills test examiners meet minimum qualifications, including
 passing background checks paid for by the third-party testing program and successfully completing a formal

- 16 the department conducting an electronic query to the entry-level driver training provider registry. The rules must
- 17 provide that the department may not conduct a skills test or hazardous materials endorsement knowledge test
- 18 when the entry-level driver training provider registry does not validate that the nonexempt applicant completed
- 19 <u>the requisite entry-level driver training.</u>
- 20 (5) The department shall adopt rules that provide that prior to issuing, renewing, transferring, or
- 21 upgrading a commercial driver's license or commercial learner's permit, the department shall conduct a check
- 22 of the applicant's eligibility by electronically querying the commercial drug and alcohol clearinghouse. The rules
- 23 must provide that the department may not issue, renew, transfer, or upgrade a commercial driver's license or
- 24 <u>commercial learner's permit when the result from the clearinghouse indicates the driver is prohibited from</u>
- 25 operating a commercial motor vehicle.
- 26 (6) The department shall adopt rules that provide that upon receiving federal motor carrier safety
