15 ~~(11)~~(9) "Sex" means ~~the biological indication of male and female in the context of reproductive~~
16 ~~potential or capacity, such as sex chromosomes, naturally occurring sex hormones, gonads, and unambiguous~~
17 ~~internal and external genitalia present at birth, including secondary sex characteristics, without regard to an~~
18 ~~individual's psychological, chosen, or subjective experience of gender. the organization of body plans and~~
19 ~~gametes for reproduction in human beings and other organisms. In human beings, there are exactly two sexes,~~
20 ~~male and female, with two corresponding gametes. The sexes are determined by the biological indication of~~
21 ~~male or female, including sex chromosomes, naturally occurring sex chromosomes, gonads, and~~
22 ~~nonambiguous internal and external genitalia present at birth, without regard to an individual's psychological,~~
23 ~~behavioral, social, cultural, chosen, or subjective experience of gender~~

24 ~~(12)~~(10) "Social transitioning" means acts other than pharmaceutical or surgical interventions that are
25 offered as treatment to a minor for the minor presenting as the opposite sex or an identity other than the minor's
26 sex, including the changing of a minor's preferred pronouns or dress and the recommendation to wear clothing
27 or devices, such as binders, for the purpose of concealing a minor's secondary sex characteristics.

28

1 NEW SECTION. Section 4. Prohibitions. (1) (a) Except as provided in subsection (1)(c), a person

2 may not knowingly provide the following to a female minor to address the minor's perception that her gender or
3 sex is not female:

4 (i) surgical procedures, including a vaginectomy, hysterectomy, oophorectomy, ovariectomy,
5 reconstruction of the urethra, metoidioplasty, phalloplasty, scrotoplasty, implantation of erection or testicular

25 undervirilization, or having both ovarian and testicular tissue; and

26 (B) a person whom a physician has otherwise diagnosed with a disorder of sexual development in
27 which the physician has determined through genetic or biochemical testing that the person does not have
28 normal sex chromosome structure, sex steroid hormone production, or sex steroid hormone action for a male or

1 female; and

2 (ii) treatment of any infection, injury, disease, or disorder that has been caused or exacerbated by
3 the performance of a procedure listed in subsection (1)(a) or (1)(b), whether or not the procedure was
4 performed in accordance with state and federal law and whether or not funding for the procedure is permissible
5 under state and federal law.

6 (2) If a health care professional or physician violates subsection (1)(a) or (1)(b):

7 (a) the health care professional or physician has engaged in unprofessional conduct and is subject
8 to discipline by the appropriate licensing entity or disciplinary review board with competent jurisdiction in this
9 state. That discipline must include suspension of the ability to administer health care or practice medicine for at
10 least 1 year.

11 (b) parents or guardians of the minor subject to the violation have a private cause of action for
12 damages and equitable relief as the court may determine is justified. The court may also award reasonable
13 attorney fees and court costs to a prevailing party.

14 (1)(3)- Public funds may not be directly or indirectly used, granted, paid, or distributed to any
15 individual, entity, or organization that provides or subsidizes ~~medication or surgery as a treatment to address an~~
16 ~~inconsistency between a minor's sex and the minor's perceived gender or perceived sex~~ the procedures
17 described in subsections (1)(a) or (1)(b).

18 (2)(4) Any individual or entity that receives state funds to pay for or subsidize the treatment of minors
19 for psychological conditions, including gender dysphoria, may not use state funds to promote or advocate
20 ~~medication or surgery as a treatment to address an inconsistency between a minor's sex and the minor's~~
21 ~~perceived gender or perceived sex~~ the procedures described in subsections (1)(a) or (1)(b).

22 (3)(5) Any amount paid by an individual or entity during a tax year for the provision of ~~either~~
23 ~~medication or surgery as a treatment to address an inconsistency between a minor's sex and the minor's~~
24 ~~perceived gender or perceived sex is not tax deductible~~ the procedures described in subsections (1)(a) or (1)(b)
25 in not tax deductible.

26 (4)(6) The Montana medicaid program may not reimburse or provide coverage for ~~medication or~~
27 ~~surgery as a treatment to address an inconsistency between a minor's sex and the minor's perceived gender or~~
28 ~~perceived sex~~ the procedures described in subsections (1)(a) or (1)(b).

1 ~~(5)(7)~~ Except to the extent required by the first amendment to the United States constitution, state
 2 property, facilities, or buildings may not be knowingly used to promote or advocate the use of social
 3 ~~transitioning, medication, or surgery as a treatment to address an inconsistency between a minor's sex and the~~
 4 ~~minor's perceived gender or perceived sex~~ or the procedures described in subsections (1)(a) or (1)(b) to
 5 address a female minor's perception that her gender or sex is not female or a male minor's perception that his
 6 gender or sex is not male.

7 ~~(6)(8)~~ A health care professional or physician employed by the state or a county or local government
 8 may not knowingly ~~provide medication or surgery as a treatment to address an inconsistency between a minor's~~
 9 ~~sex and the minor's perceived gender or perceived sex~~ the procedures described in subsections (1)(a) or (1)(b).

10 ~~(7)(9)~~ State property, facilities, or buildings may not knowingly be used to provide ~~medication or~~
 11 ~~surgery as a treatment to address an inconsistency between a minor's sex and the minor's perceived gender or~~
 12 ~~perceived sex~~ the procedures described in subsections (1)(a) or (1)(b).

13 ~~(8)(10)~~ A state employee whose official duties include the care of minors may not, while engaged in
 14 those official duties, knowingly provide or promote the ~~use of social transitioning, medication, or surgery as a~~
 15 ~~treatment to address an inconsistency between a minor's sex and the minor's perceived gender or perceived~~
 16 ~~sex~~ procedures described in subsections (1)(a) or (1)(b).

17 ~~(11)~~ The attorney general may bring an action to enforce compliance with this section.

18 ~~(9)~~ ~~(a)~~ Except as provided in subsection ~~(9)(c)~~, a person may not knowingly provide the following
 19 ~~treatment, either as a necessary or elective treatment, to a female minor to address the minor's perception that~~
 20 ~~her gender or sex is not female:~~

21 ~~(i)~~ ~~surgical procedures, including a vaginectomy, hysterectomy, oophorectomy, ovariectomy,~~
 22 ~~reconstruction of the urethra, metoidioplasty, phalloplasty, scrotoplasty, implantation of erection or testicular~~
 23 ~~protheses, subcutaneous mastectomy, voice surgery, or pectoral implants;~~

24 ~~(ii)~~ ~~supraphysiologic doses of testosterone or other androgens; or~~

25 ~~(iii)~~ ~~puberty blockers such as GnRH agonists or other synthetic drugs that suppress the production~~
 26 ~~of estrogen and progesterone to delay or suppress pubertal development in female minors.~~

27 ~~(b)~~ ~~Except as provided in subsection (9)(c), a person may not knowingly provide the following~~
 28 ~~treatment, either as a necessary or elective treatment, to a male minor to address the minor's perception that~~

1 ~~his gender or sex is not male:~~

2 ~~(i) surgical procedures, including a penectomy, orchiectomy, vaginoplasty, clitoroplasty,~~
3 ~~vulvoplasty, augmentation mammoplasty, facial feminization surgery, voice surgery, thyroid cartilage reduction,~~
4 ~~or gluteal augmentation;~~

5 ~~(ii) supraphysiologic doses of estrogen; or~~

6 ~~(iii) puberty blockers such as GnRH agonists or other synthetic drugs that suppress the production~~
7 ~~of testosterone or delay or suppress pubertal development in male minors.~~

8 ~~(c) The procedures listed in subsections (9)(a) and (9)(b) are prohibited only when knowingly~~
9 ~~provided as treatment to address a female minor's perception that her gender or sex is not female or a male~~
10 ~~minor's perception that his gender or sex is not male. Subsections (9)(a) and (9)(b) do not apply to treatment for~~
11 ~~other purposes, including:~~

12 ~~(i) treatment for a person born with a medically verifiable disorder of sex development, including:~~

13 ~~(A) a person born with external biological sex characteristics that are irresolvably ambiguous,~~
14 ~~including an individual born with 46 XX chromosomes with virilization, 46 XY chromosomes with~~
15 ~~undervirilization, or having both ovarian and testicular tissue; and~~

16 ~~(B) a person whom a physician has otherwise diagnosed with a disorder of sexual development in~~
17 ~~which the physician has determined through genetic or biochemical testing that the person does not have~~
18 ~~normal sex chromosome structure, sex steroid hormone production, or sex steroid hormone action for a male or~~
19 ~~female; and~~

20 ~~(ii) treatment of any infection, injury, disease, or disorder that has been caused or exacerbated by~~
21 ~~the performance of a procedure listed in subsection (9)(a) or (9)(b), whether or not the procedure was~~
22 ~~performed in accordance with state and federal law and whether or not funding for the procedure is permissible~~
23 ~~under state and federal law.~~

24 ~~(10) If a health care professional or physician violates subsection (9)(a) or (9)(b):~~

25 ~~(a) the health care professional or physician has engaged in unprofessional conduct and is subject~~
26 ~~to discipline by the appropriate licensing entity or disciplinary review board with competent jurisdiction in this~~
27 ~~state. That discipline must include suspension of the ability to administer health care or practice medicine for at~~
28 ~~least 1 year.~~

~~(b) — parents or guardians of the minor subject to the violation have a private cause of action for damages and equitable relief as the court may determine is justified. The court may also award reasonable attorney fees and court costs to a prevailing party.~~

NEW SECTION. Section 5. Private cause of action for subsequent harm. (1) Any health care

professional or physician who provides ~~puberty blockers, cross-sex hormones, or surgical procedures as a treatment to address an inconsistency between a minor's sex and the minor's perceived gender or perceived sex~~ the procedures described in [section 4(1)(a) or (1)(b)] is strictly liable to that minor if the treatment or the after-effects of the treatment result in any injury, including physical, psychological, emotional, or physiological harms, within the next 25 years.

(2) Except as provided in subsection (3), a person who suffers an injury described in subsection (1) or for any violation of [section 4], or the person's legal guardian or estate, may bring a civil action either within 25 years from the day the person reaches 18 years of age or within 4 years from the time of discovery by the injured party of both the injury and the causal relationship between the treatment and the injury, whichever date is later, against the offending health care professional or physician in a court of competent jurisdiction for:

- (a) declaratory or injunctive relief;
- (b) compensatory damages, including but not limited to pain and suffering, loss of reputation, loss of income, and loss of consortium, including the loss of expectation of sharing parenthood;
- (c) punitive damages;
- (d) any other appropriate relief; and
- (e) attorney fees and costs.

(3) (a) If, at the time the person subjected to treatment attains 18 years of age, the person is under other legal disability, the limitation period in subsection (2) does not begin to run until the removal of the disability.

(b) The limitation period in subsection (2) does not run during a time period when the individual is subject to threats, intimidation, manipulation, fraudulent concealment, or fraud perpetrated by the health care professional or physician who provided the treatment described in subsection (1) or by any person acting in the interest of the health care professional or physician.

1 (4) A health care professional or physician may not be indemnified for potential liability under this
2 section.

3 (5) The attorney general may bring an action to enforce compliance with this section.

4 (6) This section does not deny, impair, or otherwise affect any right or authority of the attorney
5 general, the state, or any agency, officer, or employee of the state, acting under any law other than this section,
6 to institute or intervene in any proceeding.

7
8 **NEW SECTION. Section 6. Prohibited insurance coverage.** A professional liability insurance policy
9 issued to a health care professional or physician may not include coverage for damages assessed against the
10 health care professional or physician who provides any medication or surgical procedure described in [section
11 ~~4(1)(a) or (1)(b)] as a treatment to address an inconsistency between a minor's sex and the minor's perceived
12 gender or perceived sex.~~

13
14 **NEW SECTION. Section 7. Medical or surgical transition for minors.** Failure of a health care
15 professional, mental health professional, or physician to adhere to [section 4] constitutes unprofessional
16 conduct, with a mandatory minimum suspension of the ability to practice the person's profession for 1 year.

17
18 **NEW SECTION. Section 8. Prohibited reimbursement or coverage.** Pursuant to [section 4], the
19 Montana medicaid program may not reimburse or provide coverage for ~~medication or surgery as a treatment to
20 address an inconsistency between a minor's sex and the minor's perceived gender or perceived sex any
21 medication or surgical procedure described in [section 4(1)(a) or (1)(b)].~~

22
23 **NEW SECTION. Section 9. Codification instruction.** (1) [Sections 1 through 6] are intended to be
24 codified as an integral part of Title 50, and the provisions of Title 50 apply to [sections 1 through 6].

25 (2) [Section 7] is intended to be codified as an integral part of Title 37, chapter 2, part 3, and the
26 provisions of Title 37, chapter 2, part 3, apply to [section 7].

27 (3) [Section 8] is intended to be codified as an integral part of Title 53, chapter 6, part 1, and the
28 provisions of Title 53, chapter 6, part 1, apply to [section 8].
