10 deposited exceeding a sum equal to the next lowest multiple of 10, known as "breakage".

11 (2) Each licensee conducting the parimutuel system for a simulcast race meet shall distribute all
12 funds deposited with the licensee in any pool for the simulcast race meet, less an amount that in the case of
13 exotic wagering on these races may not exceed 26%, unless the signal originator percentage is higher, in which
14 case the Montana simulcast licensee may adopt the same percentage withheld as the place where the signal
15 originated, and that in all other of these races may not exceed 20% of the total deposits plus the odd cents of all

4 paid to the board in a calendar year may, by January 31 of the following calendar year, be paid to the owner
5 bonus program and the other one-half to the breeder bonus program.

6 ~~(5) (a) The parimutuel network licensee conducting fantasy sports league wagering shall distribute all~~

18 ~~appropriate for the good of the existing horseracing industry."~~

24 shall prepare a report to the department showing the amount of the overpayments and underpayments. If the
25 report shows the underpayments to be in excess of the overpayments, the balance must be paid to the
26 department. Money paid to the department may be used for the expenses incurred in carrying out this chapter.
27 The licensee shall, at the same time, pay to the department all funds collected under 23-4-202(4)(d) on exotic
28 wagering on races. These funds must be deposited in a state special revenue account. The board shall then

2 considers appropriate for the good of the existing horseracing industry.

3 (b) Each licensed simulcast facility shall pay to the department either 1% of the gross receipts of
4 each day's parimutuel betting at each race meet or the actual cost to the board of regulating the simulcast race
5 meet, whichever is higher. The money must be paid to the department within 5 days after receipt of the money
6 by the licensee. At the end of each race meet the licensed simulcast facility shall prepare a report to the
7 department showing the amount of the overpayments and underpayments. If the report shows the
8 underpayments to be in excess of the overpayments, the balance must be paid to the department. Money paid
9 to the department must be deposited in an account in the state special revenue fund and must be used for the
10 administration of this chapter. The licensed simulcast facility shall, at the same time, pay to the department all
