6 **Section 9.** Section 53-6-101, MCA, is amended to read:

7 **"53-6-101. Montana medicaid program -- authorization of services.** (1) There is a Montana
8 medicaid program established for the purpose of providing necessary medical services to eligible persons who
9 have need for medical assistance. The Montana medicaid program is a joint federal-state program administered
10 under this chapter and in accordance with Title XIX of the Social Security Act, 42 U.S.C. 1396, et seq. The
11 department shall administer the Montana medicaid program.

12 (2) The department and the legislature shall consider the following funding principles when
13 considering changes in medicaid policy that either increase or reduce services:

14 (a) protecting those persons who are most vulnerable and most in need, as defined by a
15 combination of economic, social, and medical circumstances;

16 (b) giving preference to the elimination or restoration of an entire medicaid program or service,
17 rather than sacrifice or augment the quality of care for several programs or services through dilution of funding;
18 and

19 (c) giving priority to services that employ the science of prevention to reduce disability and illness,
20 services that treat life-threatening conditions, and services that support independent or assisted living, including
21 pain management, to reduce the need for acute inpatient or residential care.

22 (3) Medical assistance provided by the Montana medicaid program includes the following services:

23 (a) inpatient hospital services;

24 (b) outpatient hospital services;

25 (c) other laboratory and x-ray services, including minimum mammography examination as defined
26 in 33-22-132;

- 13 (q) services of behavioral health peer support specialists who are certified, credentialed, or a
- 14 credentialing candidate under Title 37, chapter 38, provided to adults 18 years of age and older with a
- 15 diagnosis of a mental disorder, as defined in 53-21-102; and
- 16 (r) any additional medical service or aid allowable under or provided by the federal Social Security
- 17 Act.
- 18 (5) Services for persons qualifying for medicaid under the medically needy category of assistance,
- 19 as described in 53-6-131, may be more limited in amount, scope, and duration than services provided to others
- 20 qualifying for assistance under the Montana medicaid program. The department is not required to provide all of
- 21 the services listed in subsections (3) and (4) to persons qualifying for medicaid under the medically needy
- 22 category of assistance.
- 23 (6) In accordance with federal law or waivers of federal law that are granted by the secretary of the
- 24 U.S. department of health and human services, the department may implement limited medicaid benefits, to be
- 25 known as basic medicaid, for adult recipients who are eligible because they are receiving cash assistance, as
- 26 defined in 53-4-201, as the specified caretaker relative of a dependent child and for all adult recipients of

1 defined in 53-4-201. Basic medicaid benefits consist of all mandatory services listed in subsection (3) but may
2 include those optional services listed in subsections (4)(a) through (4)(r) that the department in its discretion
3 specifies by rule. The department, in exercising its discretion, may consider the amount of funds appropriated
4 by the legislature, whether approval has been received, as provided in 53-1-612, and whether the provision of a
5 particular service is commonly covered by private health insurance plans. However, a recipient who is
6 pregnant, meets the criteria for disability provided in Title II of the Social Security Act, 42 U.S.C. 416, et seq., or
7 is less than 21 years of age is entitled to full medicaid coverage.

8 (7) The department may implement, as provided for in Title XIX of the Social Security Act, 42
9 U.S.C. 1396, et seq., as may be amended, a program under medicaid for payment of medicare premiums,
10 deductibles, and coinsurance for persons not otherwise eligible for medicaid.

11 (8) (a) The department may set rates for medical and other services provided to recipients of
12 medicaid and may enter into contracts for delivery of services to individual recipients or groups of recipients.

13 (b) The department shall strive to close gaps in services provided to individuals suffering from
14 mental illness and co-occurring disorders by doing the following:

15 (i) simplifying administrative rules, payment methods, and contracting processes for providing
16 services to individuals of different ages, diagnoses, and treatments. Any adjustments to payments must be
17 cost-neutral for the biennium beginning July 1, 2017.

18 (ii) publishing a report on an annual basis that describes the process that a mental health center or
19 chemical dependency facility, as those terms are defined in 50-5-101, must utilize in order to receive payment
20 from Montana medicaid for services provided to individuals of different ages, diagnoses, and treatments.

21 (9) The services provided under this part may be only those that are medically necessary and that
22 are the most efficient and cost-effective.

23 (10) (a) The amount, scope, and duration of services provided under this part must be determined
24 by the department in accordance with Title XIX of the Social Security Act, 42 U.S.C. 1396, et seq., as may be

SB0198.001.002

1 to prescription drugs and durable medical equipment for which the department has not negotiated a rebate.

2 (11) Services, procedures, and items of an experimental or cosmetic nature may not be provided.

3 (12) (a) Prior to enacting changes to provider rates, medicaid waivers, or the medicaid state plan,
4 the department of public health and human services shall report this information to the following committees:

5 (i) the children, families, health, and human services interim committee;

6 (ii) the legislative finance committee; and

7 (iii) the health and human services budget committee.

8 (b) In its report to the committees, the department shall provide an explanation for the proposed
9 changes and an estimated budget impact to the department over the next 4 fiscal years.

10 (13) If available funds are not sufficient to provide medical assistance for all eligible persons, the
11 department may set priorities to limit, reduce, or otherwise curtail the amount, scope, or duration of the medical
12 services made available under the Montana medicaid program after taking into consideration the funding
13 principles set forth in subsection (2). (Subsection (3)(o) terminates September 30, 2023--sec. 7, Ch. 412, L.
14 2019.)"
