FISCAL ANALYSIS

Assumptions:

1. The Commissioner of Political Practices (COPP) already has paper hard copy version available for all candidate, political committee, and joint fundraising committee reporting forms in its possession. COPP can currently provide copies of the relevant hard copy, paper, campaign finance reporting form to qualified candidates, political committees, and joint fundraising committees via email at no cost to the agency.
2. It is assumed that the additional workload for staff for the exceptions provided in HB 384 are minimal and could be absorbed within current staffing.
