FISCAL ANALYSIS

Assumptions:

Department of Labor and Industry

- HB 115 will simplify current processes regarding unlicensed practice which will provide a positive benefit for the Department of Labor versus a fiscal impact.

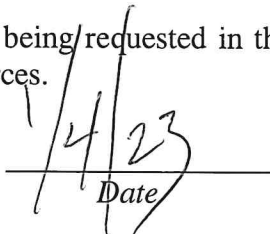

Office of the Public Defender

- The average number of cases of this type are less than 1 case per year over the last four years for the Office of Public Defender. Case weight for these matters is minimal and due to the low number of cases, the fiscal impact is determined to be immaterial.

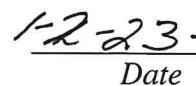

Department of Justice

- It is assumed that the work being requested in the bill has no fiscal impact or will be covered by current Department of Justice resources.
