FISCAL ANALYSIS

Assumptions:

1. HB 281 extends the term for members of the burial preservation board from 2-year staggered terms to 4-year staggered terms and provides a new transition schedule of members.
2. This bill would terminate the terms for all current board members on September 1, 2023. The governor would then appoint or reappoint new board members to create the staggered 4-year terms of new members.
3. These changes would require no additional cost to the state.
