Description of fiscal impact: HB 559 requires state child-placing agencies to provide information regarding requirements for becoming a licensed foster care parent to prospective adoptive parents.

FISCAL ANALYSIS

Assumptions:

- HB 559 requires that prospective adoptive parents be informed of the process and requirements to become licensed foster parents through literature and signage available at Department of Public Health and Human Services (DPHHS) offices and state-licensed child placement agencies. The information regarding the process and requirements to become licensed foster parents is currently being provided to prospective adoptive parents at DPHHS offices and state-licensed child placement agencies through literature and signage. Passage of this bill will not create an additional fiscal impact to the DPHHS.
