MONTANA HOUSE OF REPRESENTATIVES

SPONSOR'S REBUTTAL TO FISCAL NOTE

House Bill Number: HB 839 Date Prepared: April 4, 2023

Short Title: Fund the G.F. Fire Training Center

Sponsor: Korri Seekins-Crowe

Generally, why do you disagree with the fiscal note?

Because this project will take multiple years to complete, and because the funding amount went down significantly the fiscal note does not appropriately reflect spending. There is no need for an FTE because the facility will not be opening in 2024. Further the G.F. fire & Sheriff's office were going to staff under the original proposal.

Specifically, what in the fiscal note do you feel is flawed?

(Describe specific assumptions, calculations, technical issues, etc.)

Until facility is opened - it will also not generate revenue.

What is your estimate of the fiscal impact?
