6 **"41-3-427. Petition for immediate protection and emergency protective services -- order --**

7 **service.** (1) (a) In a case in which it appears that a child is abused or neglected or is in danger of being abused  
 8 or neglected, the county attorney, the attorney general, or an attorney hired by the county may file a petition for  
 9 immediate protection and emergency protective services. In implementing the policy of this section, the child's  
 10 health and safety are of paramount concern.

11 (b) A petition for immediate protection and emergency protective services must state the specific  
 12 authority requested and must be supported by an affidavit signed by a representative of the department stating  
 13 in detail the alleged facts upon which the request is based and the facts establishing probable cause or, if the

 16 contain information, if any, regarding statements made by the parents about the facts of the case.

17 (c) If from the alleged facts presented in the affidavit it appears to the court that there is probable  
 18 cause or, if the case is subject to the federal Indian Child Welfare Act, clear and convincing evidence to believe  
 19 that the child has been abused or neglected or is in danger of being abused and neglected, the judge shall  
 20 grant emergency protective services and the relief authorized by subsection (2) until the adjudication hearing or  
 21 the temporary investigative hearing. If it appears from the alleged facts contained in the affidavit that there is  
 22 insufficient probable cause or, if the case is subject to the federal Indian Child Welfare Act, clear and convincing  
 23 evidence to believe that the child has been abused or neglected or is in danger of being abused or neglected,  
 24 the court shall dismiss the petition.

25 (d) If the parents, parent, guardian, person having physical or legal custody of the child, or attorney  
 26 for the child disputes the material issues of fact contained in the affidavit or the veracity of the affidavit, the  
 27 person may request a contested show cause hearing pursuant to 41-3-432 within 10 days following service of  
 28 the petition and affidavit.

1           (e)     The petition for immediate protection and emergency protective services must include a notice  
2     advising the parents, parent, guardian, or other person having physical or legal custody of the child that the  
3     parents, parent, guardian, or other person having physical or legal custody of the child may have a support  
4     person present during any ~~in-person~~ meeting with a child protection specialist concerning emergency protective  
5     services. Reasonable accommodation must be made in scheduling an in-person meeting with the child  
6     protection specialist.

7           (2)     Pursuant to subsection (1), if the court finds probable cause or, if the case is subject to the  
8     federal Indian Child Welfare Act, clear and convincing evidence based on the petition and affidavit, the court  
9     may issue an order for immediate protection of the child. The court shall consider the parents' statements, if  
10    any, included with the petition and any accompanying affidavit or report to the court. If the court finds probable  
11    cause or, if the case is subject to the federal Indian Child Welfare Act, clear and convincing evidence, the court  
12    may issue an order granting the following forms of relief, which do not constitute a court-ordered treatment plan  
13    under 41-3-443:

14           (a)     the right of entry by a peace officer or department worker;

15           (b)     the right to place the child in temporary medical or out-of-home care, including but not limited to  
16     care provided by a noncustodial parent, kinship or foster family, group home, or institution;

17           (c)     the right of the department to locate, contact, and share information with any extended family  
18     members who may be considered as placement options for the child;

19           (d)     a requirement that the parents, guardian, or other person having physical or legal custody  
20     furnish information that the court may designate and obtain evaluations that may be necessary to determine  
21     whether a child is a youth in need of care;

22           (e)     a requirement that the perpetrator of the alleged child abuse or neglect be removed from the  
23     home to allow the child to remain in the home;

24           (f)     a requirement that the parent provide the department with the name and address of the other  
25     parent, if known, unless parental rights to the child have been terminated;

26           (g)     a requirement that the parent provide the department with the names and addresses of  
27     extended family members who may be considered as placement options for the child who is the subject of the  
28     proceeding; and

1 (h) any other temporary disposition that may be required in the best interests of the child that does  
2 not require an expenditure of money by the department unless the court finds after notice and a hearing that the  
3 expenditure is reasonable and that resources are available for payment. The department is the payor of last  
4 resort after all family, insurance, and other resources have been examined.

5 (3) An order for removal of a child from the home must include a finding that continued residence  
6 of the child with the parent is contrary to the welfare of the child or that an out-of-home placement is in the best  
7 interests of the child.

8 (4) The order for immediate protection of the child must require the person served to comply  
9 immediately with the terms of the order and to appear before the court issuing the order on the date specified  
10 for a show cause hearing. Upon a failure to comply or show cause, the court may hold the person in contempt  
11 or place temporary physical custody of the child with the department until further order.

12 (5) The petition must be served as provided in 41-3-422."
