

1 application of an owner or the owner's agent of the livestock to be consigned and delivered directly to a
2 licensed livestock market or licensed livestock slaughterhouse located in another county of the state or
3 delivered directly to a shipping point approved by the department where a livestock inspector is available for
4 inspection in an adjoining county, shall issue to the person a separate market consignment permit or
5 transportation permit for each owner when the owner or owners or their authorized agents sign the permit
6 certifying the brands, description, and destination of the livestock. The market consignment permit or
7 transportation permit ~~must be made in triplicate and~~ must specify the date and time issued, the place of origin
8 and place of destination of the shipment, the name and address of the owner of the livestock and the name and
9 address of the person actually transporting the livestock if different from the owner, the kind of livestock, the
10 marks and brands, if any, on the livestock, a description of the vehicle or vehicles to be used to transport the
11 livestock, including the license number of the vehicles, and any other information on the permit that the
12 department may require. A permit issued is good for shipment within 36 hours from the date and time of issue.
13 However, permits not used within this time limitation must be returned to the issuing officer to be canceled and
14 to release the permittee from performance. ~~One~~ A copy of the permit must be retained by the inspector, ~~one~~ a
15 copy must be filed by the inspector with the department within 5 days of the date of issue, and ~~one~~ a copy must
16 be furnished by the inspector to the owner or shipper of the livestock. The owner's or shipper's copy of the
17 permit must accompany the shipment and be delivered to the state stock inspector at the livestock market or
18 shipping point where the livestock are delivered.

19 (4) Upon application of an owner or the owner's agent, when it appears with reasonable certainty
20 that the applicant is the owner of the livestock or has lawful right to possess the livestock, a state stock
21 inspector shall issue a transportation permit that will allow the movement of the livestock for purposes of
22 grazing. The transportation permit must state the breed, description, marks and brands, if any, head count, and
23 description of land to and from which the livestock will be moved. The permit is valid as provided in and subject
24 to 81-3-211(6)(e). A state stock inspector may enter the premises where livestock have been transported and
25 inspect any livestock moved under the transportation permit or any livestock commingled with the transported
26 livestock.

27 (5) A person transporting strays or livestock not lawfully under that person's control is guilty of a
28 misdemeanor and is punishable as provided in 81-3-231."
