BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Section 16-3-213, MCA, is amended to read:

"16-3-213. Brewers or beer importers not to retail beer -- small brewery exceptions. (1) Except as provided for small breweries in subsection (2) and except as provided in 16-4-401(10), it is unlawful for any brewer or breweries or beer importer to have or own any permit to sell or retail beer at any place or premises. It is the intention of this section to prohibit brewers and beer importers from engaging in the retail sale of beer. This section does not prohibit breweries from selling and delivering beer manufactured by them, in original packages, at either wholesale or retail.

(2) (a) For the purposes of this section, a "small brewery" is a brewery that has an annual nationwide production of not less than 100 barrels or more than 60,000 barrels, including:

- (i) the production of all affiliated manufacturers; and

(b) A small brewery may, at one location for each brewery license and at no more than three locations including affiliated manufacturers, provide samples of beer that were brewed and fermented on the premises in a sample room located on the licensed premises. The samples may be provided with or without charge between the hours of 10 a.m. and 8 p.m. No more than 48 ounces of malt beverage may be sold or given to each individual customer during a business day for consumption on the premises or in prepared

1 servings through curbside pickup, provided that the 48-ounce limit may not in any way limit a small brewery's
2 sales as provided in 16-3-214(1)(a)(iii). No more than 2,000 barrels may be provided annually for on-premises
3 sample room consumption, including all affiliated manufacturers.

4 (3) For the purposes of this section, "affiliated manufacturer" means a manufacturer of beer:

5 (a) that one or more members of the manufacturing entity have more than a majority share interest
6 in or that controls directly or indirectly another beer manufacturing entity;

7 (b) for which the business operations conducted between or among entities are interrelated or
8 interdependent to the extent that the net income of one entity cannot reasonably be determined without
9 reference to operations of the other entity; or

10 (c) of which the brand names, products, recipes, merchandise, trade name, trademarks, labels, or
11 logos are identical or nearly identical.

12 (4) For a licensed brewery holding complete ownership of a retail license pursuant to 16-4-401(10),
13 beer that is manufactured and sold at the colocated premises is not subject to the limitations imposed by this
14 section. Beer manufactured and sold at the colocated premises does count toward production levels for tax
15 purposes."

16

11 necessary flavors and other nonbeverage ingredients containing alcohol for blending or manufacturing
12 purposes.

13 (4) An additional license fee may not be imposed on a brewery providing its own products on its
14 licensed premises for consumption on the premises.

15 (5) This section does not prohibit a licensed brewer from shipping and selling beer directly to a
16 wholesaler in this state under the provisions of 16-3-230.

17 (6) For a licensed brewery holding complete ownership of a retail license pursuant to 16-4-401(10),
18 beer that is manufactured and sold at the colocated premises does not count towards the 10,000-barrel self-
19 distribution limit imposed by subsection (1)(a)(ii)(B). Beer manufactured and sold at the colocated premises
20 does count toward production levels for tax purposes."

24 **Section 6.** Section 16-3-311, MCA, is amended to read:

25 **"16-3-311. Suitable premises for licensed retail establishments.** (1) (a) A licensed retailer may
26 use a part of a building as premises licensed for on-premises consumption of alcoholic beverages. The licensed
27 retailer must demonstrate that it has adequate control over all alcoholic beverages to prevent self-service,
28 service to underage persons, and service to persons who are actually or apparently intoxicated. Except as

1 provided in ~~subsection~~subsections (8) and (10), the premises must be separated from the rest of the building
2 by permanent walls but may have inside access to the rest of the building at all times even if the businesses or
3 uses in the other part of the building are unrelated to the operation of the premises in which the alcoholic
4 beverages are served. If the premises are located in a portion of a building, the licensed retailer must be able to
5 demonstrate that there are adequate safeguards in place to prevent public access to alcoholic beverages after
6 hours, either by the presence of a lockable door or other security features such as rolling gates, locking
7 cabinets, tap locks, or key card access.

8 (b) A resort retail all-beverages licensee or a retail all-beverages licensee within the boundaries of
9 a resort area may also utilize an alternate alcoholic beverage storage facility as allowed in 16-4-213(8).

10 (2) A licensee may alter the approved floorplan of the premises. The alteration must be consistent
11 with the requirements of subsection (1)(a). A licensee shall provide a copy of the revised floorplan with the
12 proposed alteration for the licensed premises to the department within 7 days of beginning the alteration.
13 Department approval may not be unreasonably withheld. If the completed alteration differs from the approved
14 alteration due to modifications required for approval by other state or local government entities, such as
15 compliance with fire or building codes, the department must be notified, but preapproval is not required for
16 these modifications. An alteration for the purposes of this section is any structural change in a premises that
17 does not increase the square footage of the existing approved premises. An alteration that increases the
18 square footage of the existing approved premises must be approved by the department prior to beginning the
19 alteration. A cosmetic change, such as painting, carpeting, or other interior decorating, is not considered an
20 alteration under this section.

21 (3) The interior portion of the licensed premises must be a continuous area that is under the
22 control of the licensee and not interrupted by any area in which the licensee does not have adequate control,
23 and includes multiple floors on the premises and common areas necessarily shared by multiple building tenants
24 in order to allow patrons to access other tenant businesses or private dwellings in the same building, including
25 but not limited to entryways, hallways, stairwells, and elevators.

26 (4) The premises may include one or more exterior patios or decks as long as sufficient physical
27 safeguards are in place to ensure proper service and consumption of alcoholic beverages. An additional
28 perimeter barrier may not be required if an existing boundary naturally defines the outdoor service area and

1 impedes foot traffic.

2 (5) Premises suitability does not include a minimum number of seats.

3 (6) A licensed retailer may apply to the department to have a noncontiguous storage area that is
4 under the control of the licensed retailer approved for onsite alcoholic beverage storage separate from its
5 service area as long as the licensed retailer demonstrates that there are adequate safeguards in place to
6 prevent public access to alcoholic beverages after hours, either by the presence of a lockable door or other
7 security features such as rolling gates, locking cabinets, tap locks, or key card access. The application fee is
8 \$100.

9 (7) A licensed retailer operating within a hotel or similar short-term lodging facility may apply to the
10 department to allow for the delivery of alcoholic beverages to guests of accommodation units, and the
11 prestocking of alcoholic beverages in accommodation units is allowed for the accommodation units within the
12 property as long as the purchaser's age is verified and there are adequate safeguards in place to prevent
13 underage service. The application fee is \$100.

14 (8) An on-premises consumption retailer may be located adjacent to a brewery or winery if the
15 licensees are able to maintain control of their respective premises through adequate physical separation.

16 (9) (a) For the purposes of this section, "adequate physical separation" means:

17 (i) the premises of the retailer and the premises of the brewery or winery are secured after
18 business hours from each other and from any other business, including but not limited to prohibiting a customer
19 from accessing a brewery sample room and purchasing alcohol after the brewery tasting room hours of
20 operation as specified in 16-3-213(2)(b); and

21 (ii) the separation may include doors, gates, or windows that may be left open during business
22 hours.

23 (b) The term does not require permanent floor-to-ceiling walls.

24 (10) For colocated premises authorized in 16-4-401(10), there are no physical separation
25 requirements applied by this code but the licensee shall follow any federal requirements."

26
