BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

NEW SECTION. **Section 1. Workforce housing tax credit.** (1) Commencing with tax years

beginning on or after January 1, 2024, a taxpayer owning an interest in a qualified project that is issued an eligibility statement by the board of housing may claim a credit against taxes imposed by Title 15, chapter 31, 33-2-705, 33-2-709, 50-3-109, and this chapter.

(2) The board of housing shall allocate workforce housing tax credits using the qualified allocation plan process. The board of housing shall issue eligibility statements for qualified projects on approval of a final cost certification. If the credit is claimed by a small business corporation as defined in 15-30-3301, a pass-through entity, or a partnership, the credit may be allocated to some or all shareholders, owners, members, or partners, regardless of whether the shareholder, owner, member, or partner is a partner for federal income tax purposes. The eligibility statement must specify the total amount of the credit for which the qualified project is eligible for each year of the credit period.

(3) The credit may be claimed for each year of the 6-year credit period beginning with the tax year in which a qualified project is placed in service.

(4) The total amount of credits allocated by the board of housing to qualified projects for any allocation year may not exceed \$1.5 million, plus the total amount of all unallocated credits from previous calendar years and the total amount of all previously allocated credits that have been revoked or otherwise recovered by the board of housing.

(5) If the amount of the credit exceeds the taxpayer's liability for the year, the credit may be carried

1 forward 5 years. The entire amount of the credit not used in the year must be carried first to the earliest tax year  
2 in which the credit may be applied and then to each succeeding tax year.

3 (6) A taxpayer claiming the credit must own a direct or indirect interest, through one or more pass-  
4 through entities, in the qualified project at any time prior to filing a tax return claiming the credit and shall submit  
5 a copy of the eligibility statement with the tax return claiming the credit. If the board of housing has not issued  
6 the eligibility statement at the time the taxpayer files the return, the taxpayer shall file an amended return to  
7 include the eligibility statement.

8 (7) If all or a portion of the federal low-income housing credit is recaptured or is otherwise  
9 disallowed during the credit period, the same portion of the Montana credit is also recaptured or disallowed.  
10 Any credits recaptured or disallowed increase the tax liability of the taxpayer who claimed the credit in the same  
11 amount and must be included on the tax return of the taxpayer for the year in which the credit is recaptured or  
12 disallowed.

13 (8) The board of housing may not allocate to a project a combined amount of federal low-income  
14 housing credits and Montana credits that is more than is necessary to make the project financially feasible.

15 (9) Notwithstanding any other provision of this section, a developer of a qualified project, including  
16 the owner of a developer, may not claim a credit or receive any remuneration related to a credit except for the  
17 developer's fee and other distributions allowed by the board of housing.

18 (10) The board of housing may not award reservations of tax credits after December 31, 2029.

19 (11) As used in this section, the following definitions apply:
