2. Page C-7: .

**Following:** line 6

**Insert:** "Prior to December in each year of the 2025 biennium, the Department of Natural Resources and Conservation will report to the Water Policy Interim Committee on the progress of the weather modification feasibility study."

- END -

Explanation - This amendment is a one-time-only increase in general fund of \$250,000 and state special revenue of \$50,000 for the biennium. The funding is to be used by the Department of Natural Resources and Conservation to study the feasibility of weather modification and requires the agency to report the results of the study to the Legislature.
