HOUSE BILL NO. 180

INTRODUCED BY N. DURAM, D. BAUM

A BILL FOR AN ACT ENTITLED: "AN ACT REVISING EMPLOYER ELIGIBILITY IN THE MUNICIPAL POLICE OFFICERS' RETIREMENT SYSTEM; ADDING TOWNS AS ELIGIBLE PARTICIPATING EMPLOYERS; AMENDING SECTIONS 19-9-102, 19-9-104, 19-9-207, 19-9-209, 19-19-201, AND 19-19-301, MCA; AND PROVIDING AN EFFECTIVE DATE."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Section 19-9-102, MCA, is amended to read:

"19-9-102. Purpose -- application of prior law. (1) As cities other than those participating in the statewide police reserve fund provided for in Chapter 335, Laws of 1974, currently have local police retirement funds, the legislature finds and declares that the law regarding such funds, although in conflict with this chapter, cannot be repealed. It is the express intention of the legislature to allow two separate and distinct retirement systems to exist. The first, which includes local police retirement funds, applies to such cities, other than those of the first and second class, that wish to adopt it. The second, created by this chapter, applies to first-class and second-class cities, those other cities that wish to adopt it, towns as described in 7-1-4111 and 7-1-4112, and any city that has adopted the above-mentioned statewide police reserve fund.

(2) The following may not be applied in any way to a city or town operating under the plan created by this chapter: 7-32-4107, 7-32-4120, 7-32-4131, and chapter 19 of this title."

those participating in the statewide police reserve fund administered by the board in accordance with Chapter
335, Laws of 1974, as of June 30, 1977, may elect to join the retirement system by passing an ordinance
stating the election and the consent of the city or town to be bound by the provisions of this retirement system. Upon the enactment of an ordinance, the provisions of this retirement system become applicable to
the city or town. Any city or town enacting an election ordinance shall send a certified copy of the ordinance to
the board and shall, as soon as possible, deposit all cash and securities held by it in its local police reserve or
retirement fund into the municipal police officers' pension trust fund. The value of the securities must be
determined by the board. (2) The trustees or other administrative head of the local plan as of the effective date of the
election shall certify the proportion, if any, of the funds of the plan that represents the accumulated contributions
of the active members and the relative shares of the members as of that date. The shares must be charged to
the employer and credited to the respective members in the retirement system and administered as if the
contributions had been made during membership in the retirement system. Any excess of employer credits over
charges under this section must be offset, with interest, against future required employer contributions for a
period determined by the board. Any excess of employer charges over credits under this section are payable by
the employer, with interest, for a period of 30 years or less as determined by the board."

One must be selected each year between May 1 and May 10, so that their terms are staggered. Immediately after the selection has been made, a certificate of election must be certified to the city clerk by the presiding officer of the board and secretary of the meeting at which the selection was made.

(4) The board of trustees of the police retirement fund of a city or town that elects to participate in the municipal police officers’ retirement system under 19-9-207 is abolished as of the time that the transfer of the cash and securities and the certification required by that section is completed.
