(2) The credit is equal to $1,250 for each dwelling rented to a tenant participating in the housing choice voucher program.

(4) If the credit allowed under this section is claimed by a small business corporation, a pass-through entity, or a partnership, the credit must be attributed to shareholders, owners, or partners using the same proportion as used to report the entity’s income or loss.

(5) The credit may not be claimed for a dwelling for which the rent is limited due to participation in any program that provides a benefit to the property owner for limiting the rent other than the housing choice voucher program.

(6) The department may disallow the credit when the landlord and tenant have not dealt at arm's length.
A small business corporation, a pass-through entity, or a partnership may not claim the credit for a dwelling rented to an employee.

A taxpayer may only claim the credit once for each dwelling.

(4) The credit may not be claimed for a dwelling for which rent for the long-term rental exceeds 200% of fair market rent for the county in which the property is located.

(5) The taxpayer is entitled to a refund equal to the amount by which the credit exceeds the taxpayer’s tax liability or, if the taxpayer has no tax liability under this chapter, a refund equal to the amount of the credit. The credit may be claimed by filing a Montana income tax return.
