The credit is available to a taxpayer or corporation that charges rent on a dwelling of less than 130% of fair market rent for the county in which the property is located.

(2) The amount of the credit is equal to:

(a) 40% of forgone rent in the first year the credit is claimed;

The credit may not be claimed for a dwelling for which the rent is limited due to participation in any other program that provides a benefit to the property owner for limiting the rent.

The department may disallow the credit when the landlord and tenant have not dealt at arm’s length.
