

1 _____ BILL NO. _____

2 INTRODUCED BY _____
3 (Primary Sponsor)

4 A BILL FOR AN ACT ENTITLED: "AN ACT ESTABLISHING THE FACIAL RECOGNITION FOR
5 GOVERNMENT USE ACT; PROVIDING A PURPOSE; PROHIBITING THE USE OF CONTINUOUS FACIAL
6 SURVEILLANCE; PROHIBITING THE USE OF FACIAL RECOGNITION TECHNOLOGY; PROVIDING
7 EXEMPTIONS FOR LAW ENFORCEMENT; PROVIDING EXEMPTIONS UNDER CERTAIN CONDITIONS;
8 PROVIDING FOR NOTICE REQUIREMENTS; PROVIDING FOR RETENTION AND DESTRUCTION
9 REQUIREMENTS; PROVIDING FOR REPORTING REQUIREMENTS; PROVIDING FOR PENALTIES;
10 PROVIDING DEFINITIONS; PROVIDING FOR A TRANSITION; AND PROVIDING AN IMMEDIATE
11 EFFECTIVE DATE AND A RETROACTIVE APPLICABILITY DATE."

12
13 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

14
15 NEW SECTION. Section 1. Short title. [Sections 1 through 12] may be cited as the "Facial
16 Recognition for Government Use Act".

17
18 NEW SECTION. Section 2. Purpose. (1) Except as provided in subsection (2), the purpose of
19 [sections 1 through 12] is to prohibit the use of facial recognition technology for continuous facial surveillance or
20 facial identification by state and local government agencies and law enforcement agencies.

21 (2) It is the intent of the legislature to provide state and local government agencies the guidelines
22 to use, or contract with third parties to use on their behalf, facial verification and to provide law enforcement
23 agencies the ability to use facial recognition technology for investigations of serious crimes.

24
25 NEW SECTION. Section 3. Definitions. As used in [sections 1 through 12], unless the context
26 clearly indicates otherwise, the following definitions apply:

27 (1) "Affirmative authorization" means an action that demonstrates the intentional decision by an
28 individual to opt into the retention of the individual's facial biometric data by a third-party vendor.

1 (2) "Another jurisdiction" means the federal government, the United States military, the District of
2 Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, the United
3 States Virgin Islands, Guam, American Samoa, a federally recognized Indian tribe, or a state other than
4 Montana.

5 (3) "Continuous facial surveillance" means the generalized monitoring of public places or third-
6 party image sets using facial recognition technology for facial identification to match faces with a prepopulated
7 list of face images. The term includes but is not limited to scanning stored video footage to identify faces in the
8 stored data, real-time scanning of video surveillance to identify faces passing by the cameras, and passively
9 monitoring video footage using facial recognition technology for general surveillance purposes without a
10 particularized suspicion of a specific target.

11 (4) "Department" means the department of justice.

12 (5) "Digital driver's license" means a secure version of an individual's physical driver's license or
13 identification card that is stored on the individual's mobile device.

14 (6) "Facial biometric data" means data derived from a measurement, pattern, contour, or other
15 characteristic of an individual's face, either directly or from an image.

16 (7) (a) "Facial identification" means a computer system that, for the purpose of attempting to
17 determine the identity of an unknown individual, uses an algorithm to compare the facial biometric data of an
18 unknown individual derived from a photograph, video, or image to a database of photographs or images and
19 associated facial biometric data in order to identify potential matches.

20 (b) The term does not include:

21 (i) a system used specifically to protect against unauthorized access to a particular location or an
22 electronic device; or

23 (ii) a system a consumer uses for the consumer's private purposes.

24 (8) "Facial recognition service" or "facial recognition technology" means the use of facial
25 identification or facial verification.

26 (9) "Facial verification" means the automated process of comparing an image or facial biometric
27 data of a known individual to an image database, or to government documentation containing an image of the
28 known individual, to identify a potential match in pursuit of the individual's identity.

1 (10) "Law enforcement agency" means:

2 (a) an agency or officer of the state of Montana or of a political subdivision that is empowered by
3 the laws of this state to conduct investigations or to make arrests; and

4 (b) an attorney, including the attorney general, who is authorized by the laws of this state to
5 prosecute or to participate in the prosecution of a person who is arrested or who may be subject to a civil action
6 related to or concerning an arrest.

7 (11) "Motor vehicle division" means the division within the department of justice authorized to issue
8 driver's licenses.

9 (12) "Personal information" has the same meaning as in 30-14-1704.

10 (13) "Public building" means any building that the state or any political subdivision of the state
11 maintains for the use of the public.

12 (14) "Public employee" means a person employed by a state or local government agency, including
13 but not limited to a peace officer.

14 (15) "Public official" means a person elected or appointed to a public office that is part of a state or
15 local government agency.

16 (16) "Public roads and highways of this state" has the same meaning as in 15-70-401.

17 (17) "Serious crime" means:

18 (a) a crime under the laws of this state that is a violation of 45-5-102, 45-5-103, 45-5-104, 45-5-
19 106, 45-5-202, 45-5-210, 45-5-212, 45-5-213, 45-5-220, 45-5-302, 45-5-303, 45-5-401, 45-5-503, 45-5-508, 45-
20 5-625, 45-5-627, 45-5-628, 45-5-702, 45-5-704, or 45-5-705; or

21 (b) a crime under the laws of another jurisdiction that is substantially similar to a crime under
22 subsection (17)(a).

23 (18) "State or local government agency" means a state, county, or municipal government, a
24 department, agency, or subdivision of a state, county, or municipal government, or any other entity identified in
25 law as a public instrumentality. The term does not include a school district or law enforcement agency.

26 (19) "Vendor" has the same meaning as in 18-4-123.

27

28 NEW SECTION. **Section 4. Prohibition of continuous facial surveillance.** (1) A state or local

1 government agency, law enforcement agency, public employee, or public official may not obtain, retain,
2 possess, access, request, contract for, or use continuous facial surveillance.

3 (2) The use of facial recognition technology for facial verification, including any resulting data, may
4 not be used to aid or assist in any type of continuous facial surveillance.

5
6 **NEW SECTION. Section 5. Prohibition of facial recognition technology.** (1) Except as provided in
7 [sections 6 and 8], a state or local government agency, law enforcement agency, public employee, or public
8 official may not:

9 (a) obtain, retain, possess, access, request, or use facial recognition technology or information
10 derived from a search using facial recognition technology;

11 (b) enter into an agreement with a third-party vendor for any purpose listed in subsection (1)(a); or

12 (c) install or equip a continuous facial surveillance monitoring camera on public buildings or on
13 public roads and highways of this state, except as provided in 46-5-117.

14 (2) The motor vehicle division may not establish a digital driver's license program that utilizes facial
15 recognition technology without the consent of the legislature.

16
17 **NEW SECTION. Section 6. Use of facial recognition technology by law enforcement -- when**
18 **permitted -- restrictions on use -- warrant required.** (1) The department of justice is the only state or local
19 government agency authorized to use facial recognition technology for criminal investigations. A request from a
20 law enforcement agency for a search using facial recognition technology must be made to the criminal
21 intelligence information section established in 44-5-501.

22 (2) A law enforcement agency may request a search using facial recognition technology and may
23 obtain, retain, possess, access, or use the results of a search using facial recognition technology, as provided
24 in subsection (3), for the purpose of:

25 (a) investigating a serious crime when there is probable cause to believe that an unidentified
26 individual in an image has committed, is a victim of, or is a witness to a serious crime;

27 (b) assisting in the location or identification of a missing or endangered person; or

28 (c) assisting in the identification of a person who is deceased or believed to be deceased.

1 (3) Except as provided in subsection (5), a law enforcement agency shall obtain a warrant prior to
2 requesting a search using facial recognition technology under subsection (2).

3 (4) A law enforcement agency shall obtain a court order authorizing the use of facial recognition
4 technology for the sole purpose of locating or identifying a missing person or identifying a deceased person
5 under subsections (2)(b) and (2)(c). A court may issue an ex parte order under this subsection if a law
6 enforcement agency certifies and the court finds that the information to be obtained is likely relevant to locating
7 or identifying a missing person or identifying a deceased person.

8 (5) (a) A law enforcement agency may submit a request for a search under subsection (2) using
9 facial recognition technology prior to the issuance of a warrant if there is an emergency posing an imminent
10 threat to a person. If an emergency exists under this subsection (5)(a), the law enforcement agency shall obtain
11 a warrant within 24 hours of the request and submit the warrant to the criminal intelligence information section.

12 (b) The use of facial recognition technology must terminate immediately if the application for a
13 warrant under subsection (5)(a) is denied.

14 (6) A law enforcement agency may not use the results of facial recognition technology as the sole
15 basis to establish probable cause in a criminal investigation. The results of the use of facial recognition
16 technology may be used in conjunction with other information and evidence lawfully obtained by a law
17 enforcement officer to establish probable cause in a criminal investigation.

18 (7) A law enforcement agency may not use facial recognition technology to identify an individual
19 based on a sketch or other manually produced image.

20 (8) A law enforcement agency may not substantively manipulate an image for use with facial
21 recognition technology in a manner not consistent with the facial recognition technology provider's intended use
22 and training.

23 (9) When using facial recognition for identification of an individual, the department shall employ
24 meaningful human review prior to making an adverse final decision.

25
26 NEW SECTION. **Section 7. Disclosure to criminal defendants.** (1) A law enforcement agency or
27 the department shall disclose the use of facial recognition technology on a criminal defendant to that defendant
28 in a timely manner prior to trial.

1 (2) Discovery of an application, affidavit, or court order relating to the use of facial recognition and
2 any documents related to the use or request for use of facial recognition technology, if any, are subject to the
3 provisions in Title 46, chapter 15.

4 (3) Data derived from the use of facial recognition technology in violation of [sections 1 through
5 12]:

6 (a) must be considered unlawfully obtained and, except as otherwise provided by law, must be
7 deleted on discovery; and

8 (b) is inadmissible in evidence in a proceeding in or before a public official, department, regulatory
9 body, or authority.

10

11 **NEW SECTION. Section 8. Use of facial recognition technology by state and local government**

12 **agencies -- when permitted -- restrictions on use -- exemption.** (1) A state or local government agency may
13 use, or contract with a third-party vendor for the use of, facial verification if the state or local government
14 agency first provides a written use and privacy policy regarding facial recognition technology. The written policy
15 must include, at a minimum:

16 (a) the specific purpose for facial verification by the state or local government agency;

17 (b) the length of term for which facial biometric data is being collected or stored; and

18 (c) notice that facial biometric data may not be collected on an individual without prior written
19 consent by the individual.

20 (2) The state or local government agency must include an option for access to services without the
21 use of facial verification.

22 (3) A third-party vendor who is contracted with a state or local government agency shall provide a
23 copy of its written policies in accordance with [section 9] for use with the notice requirement outlined in
24 subsection (1).

25 (4) A state or local government agency shall report the use of facial recognition technology
26 pursuant to subsection (1) to the information technology board created in 2-15-1021.

27 (5) [Sections 1 through 12] do not apply to a state or local government agency that uses facial
28 verification in association with a federal agency to verify the identity of individuals presenting themselves for

1 travel at an airport or other port.

2

3 NEW SECTION. Section 9. Notice requirement -- policy and retention requirements for third-
4 **party vendors.** (1) On capturing an image of an individual when the individual interacts with a state or local
5 government agency, the state or local government agency shall notify the individual that the individual's image
6 may be used in conjunction with a facial recognition service.

7 (2) A third-party vendor contracted with a state or local government agency for the provision of a
8 facial recognition service may not collect, capture, purchase, receive through trade, or otherwise obtain an
9 individual's facial biometric data in the implementation of the service unless it first:

10 (a) informs the individual or the individual's legally authorized representative in writing that facial
11 biometric data is being collected or stored;

12 (b) informs the individual or the individual's legally authorized representative in writing of the
13 specific purpose and length of term for which facial biometric data is being collected, stored, and used; and

14 (c) receives written consent from the individual or the individual's legally authorized representative
15 authorizing the collection, storage, and use of the individual's facial biometric data.

16 (3) A third-party vendor contracted with a state or local government agency for the provision of a
17 facial recognition service shall provide the state or local government agency with a written privacy policy. The
18 privacy policy must be designed and presented in a way that is easy to read and is understandable to an
19 average consumer and must include the date the policy was last updated. A third-party vendor shall give notice
20 of a privacy policy change to the state or local government agency within a reasonable period.

21 (4) (a) Except as provided in subsection (4)(b), a third-party vendor in possession of facial
22 biometric data because of a contract with a state or local government agency for the provision of a facial
23 recognition service shall develop a written policy, made available to the public, establishing a retention
24 schedule and guidelines for permanently destroying facial biometric data when the initial purpose for collecting
25 or obtaining the data has been satisfied. Absent a valid warrant or subpoena issued by a court of competent
26 jurisdiction, a third-party vendor in possession of facial biometric data shall comply with its established retention
27 schedule and destruction guidelines.

28 (b) A third-party vendor in possession of facial biometric data because of a contract with a state or

1 local government agency for the provision of a facial recognition service may retain an individual's facial
2 biometric data after the initial purpose for collecting or obtaining the data has been satisfied on the affirmative
3 authorization of the individual. Facial biometric data retained because of affirmative authorization must be
4 permanently destroyed within 1 year of the individual's last interaction with the third-party vendor.

5 (5) A third-party vendor in possession of facial biometric data as a result of a contract with a state
6 or local government agency for the provision of a facial recognition service shall develop a written information
7 security policy establishing appropriate administrative, technical, and physical controls to establish and govern
8 the acceptable use of the third-party vendor's information technology, including networks, applications, and
9 databases, to protect the confidentiality, integrity, and availability of any facial biometric data.

10 (6) A third-party vendor in possession of facial biometric data because of a contract with a state or
11 local government agency for the provision of a facial recognition service may not give, sell, lease, or trade an
12 individual's facial biometric data without affirmative authorization from the individual.

13 (7) A third-party vendor in possession of facial biometric data because of a contract with a state or
14 local government agency for facial recognition services:

15 (a) shall store, transmit, and protect from unauthorized disclosure all facial biometric data collected
16 and processed:

17 (i) using the reasonable standard of care within the third-party vendor's industry; and

18 (ii) in a manner that is the same as or more protective than the way the third-party vendor stores,
19 transmits, and protects other personal information; and

20 (b) may not release facial biometric data to a federal or state agency without a valid warrant or
21 court order issued by a court of competent jurisdiction.

22 (8) A state or local government agency that uses facial recognition technology without a third-party
23 vendor must develop the same written privacy and retention policies outlined in this section as required by a
24 third-party vendor, and must adhere to the same provisions for retention, destruction, and privacy as provided
25 in this section.

26

27 NEW SECTION. Section 10. Meaningful human review -- policy. A state or local government
28 agency using a facial recognition service without a third-party vendor shall establish a policy that:

1 (1) ensures best quality results by following all guidance provided by the developer of the facial
2 recognition service; and

3 (2) outlines training protocol for all individuals who operate a facial recognition service or who
4 process personal data obtained from the use of a facial recognition service. The training must include but is not
5 limited to coverage of:

- 6 (a) the capabilities and limitations of the facial recognition service;
- 7 (b) procedures to interpret and act on the output of the facial recognition service; and
- 8 (c) to the extent applicable, the meaningful human review requirement for decisions that produce
9 legal effects concerning individuals.

10

11 NEW SECTION. Section 11. Audit -- reporting. (1) The criminal intelligence information section
12 shall adopt an audit process to ensure that facial recognition technology is only used for legitimate law
13 enforcement purposes, including audits of uses or requests made by law enforcement agencies.

14 (2) By September 1 of each year, in accordance with 5-11-210, the department of justice shall
15 submit a report to the economic affairs interim committee and the law and justice interim committee containing
16 all the following information based on data from the previous calendar year:

- 17 (a) the names of the law enforcement agencies and other entities requesting facial recognition
18 services;
- 19 (b) the number of searches run;
- 20 (c) the offenses that the searches were used to investigate; and
- 21 (d) the number of arrests and convictions that resulted from the searches.

22 (3) (a) By June 30 of each year, a third-party vendor providing facial recognition services to a state
23 agency because of a contract under [section 8] shall submit a report to the state agency containing all the
24 following information based on data from the previous calendar year:

- 25 (i) the number of warrants, subpoenas, or court orders received requesting facial recognition
26 services; and
- 27 (ii) a summary of an audit completed by the third-party vendor.
- 28 (b) The state agency receiving the report from the third-party vendor shall submit a copy of the

1 report to the economic affairs interim committee, the law and justice interim committee, and the information
2 technology board created in 2-15-1021, by September 1 of each year, in accordance with 5-11-210.

3
4 NEW SECTION. Section 12. Penalty. (1) A violation of [sections 1 through 12] constitutes an injury
5 and a person may institute proceedings for injunctive relief, declaratory relief, or writ of mandate in a court of
6 competent jurisdiction to enforce [sections 1 through 12].

7 (2) A person who has been subjected to facial recognition technology in violation of [sections 1
8 through 12] or about whom information has been obtained, retained, accessed, or used in violation of [sections
9 1 through 12] may institute proceedings in a court of competent jurisdiction.

10 (3) A public employee or public official who, in the performance of their official duties, violates
11 [sections 1 through 12] may be subject to disciplinary action, including but not limited to retraining, suspension,
12 or termination, subject to the requirements of due process and of an applicable collective bargaining
13 agreement.

14 (4) A prevailing party may recover for each violation:

15 (a) against an entity that negligently violates a provision of [sections 1 through 12], \$1,000 or
16 actual damages, whichever is greater;

17 (b) against an entity that intentionally or recklessly violates a provision of [sections 1 through 12],
18 \$5,000 or actual damages, whichever is greater;

19 (c) against an entity that negligently violates a provision of [sections 4 or 5], \$5,000 or actual
20 damages, whichever is greater;

21 (d) against an entity that intentionally or recklessly violates a provision of [sections 4 or 5], \$10,000
22 or actual damages, whichever is greater;

23 (e) reasonable attorney fees and costs, including expert witness fees and other litigation
24 expenses; and

25 (f) other relief, including an injunction, as the court may consider appropriate.

26 (5) The attorney general may bring an action to enforce [sections 1 through 12]. In an action
27 brought by the attorney general, a violation of [sections 1 through 12] is subject to a civil penalty of \$10,000 or
28 actual damages, whichever is greater, for each violation.
