To view an in progress or a meeting that is soon to start:

- From the now playing screen double-click on desired meeting.
- 2. If the meeting is progress it will begin to play automatically.
- 3. If the meeting has not started yet you will see a countdown timer.
- 4. Meeting will automatically start playing at scheduled start time.

*If you pause then hit play the meeting will resume playing in real time not from the point in which the meeting was paused.

Media Player

Info Tab

Displays information about the meeting including location and scheduled time.

Agenda Tab

Displays time stamps for events during the live meeting. Handout

Displays the meeting materials page from Leg.mt.gov which includes a link to the meeting agenda and other meeting materials.

*To save the agenda locally by right clicking on the agenda and selecting save as.
