

**PROPOSED PRICE FOR SESSION PROCEEDINGS
2013 SESSION**

Prepared by Karen Kueffler, Supervisor, Legislative Printing & Distribution
October 23, 2012

We need to increase the price that we charge lobbyists for legislative proceedings again this year, as our printing costs continue to rise. Last session printing costs went up to \$.0427 per impression and this session they go up again to \$.045 per impression (each side of a page is an impression).

Based on the amount of printing last session, and the increase in price, I propose the following prices. The number of paid subscribers continues to decrease because of the availability on-line, but we still had 16 subscribers last session and that seems to be holding steady.

	2011 Session Price for Proceedings:	2013 Session Estimated Cost to Print Same Amount @ .045/impression	Suggested Price for 2013 Session
Set of Bills Only	\$1250	\$1452	\$1475
Daily Status Sheets	\$225	\$178	\$200
Daily House & Senate Journals	\$150	\$179	\$200
Weekly Status Sheets	\$75	\$130	\$150

Note: The cost of printing the daily status sheets went down because we ran the House and Senate status sheets together as one document.
