Be it enacted by the Legislature of the State of Montana:

NEW SECTION. **Section 1. Purpose.** The purpose of [sections 1 through 20] is to allow for the creation and governance of special districts.

NEW SECTION. **Section 2. Definitions.** As used in [sections 1 through 20 and 62], the following definitions apply:

(1) "Governing body" means the legislative authority of a local government.

(2) "Local government" means any city, town, county, or consolidated city-county government or any combination of these acting jointly.

(3) "Special district" means a unit of local government, authorized by law to perform a single function or a limited number of functions. The term includes but is not limited to conservation districts, weed management districts, irrigation districts, fire districts, hospital districts, and districts created for any public or governmental purpose not specifically prohibited by law. The term also includes any district or other entity formed to perform a single or limited number of functions by interlocal agreement.

NEW SECTION. **Section 3. Authorization to create special districts.** (1) Whenever the public convenience and necessity may require:

(a) the governing body may create a special district to serve the inhabitants of the special district; or

(b) petitioners may initiate the creation of a special district to serve inhabitants of the special district.

(2) (a) Subject to subsection (2) (b), a petition to institute the creation of a special district must be signed by 40% of registered voters or owners of real property within the boundary of the proposed special district and submitted to the clerk of the governing body.

(b) If a proposed special district would be financed by a mill levy, then a petition to institute the creation of the special district must be signed by 40% of registered voters or property taxpayers within the boundary of the proposed district.

(3) Within 15 days of receipt of a petition to create a special district, the clerk of the governing body shall:

(a) certify that the petition is sufficient under the provisions of subsection (2) and present it to the governing body at its next meeting; or

(b) reject the petition if it is insufficient under the provisions of subsection (2).

(4) A defect in the contents of the petition, or in its title, form of notice, or signatures may not invalidate the petition and subsequent proceedings as long as the petition has a sufficient number of qualified signatures attached.

NEW SECTION. Section 4. Determining special district

boundaries. The boundaries of the proposed special district must be mapped and clearly described before the district may be approved.

(1) The governing body or petitioners shall consult with a professional land surveyor, as defined in 37-67-101, to prepare a legal description of the boundaries for the proposed special district.

(2) The boundaries must follow property ownership, precinct, school district, municipal, and county lines as far as practical.

NEW SECTION. **Section 5. Public hearing -- resolution of intention to create special district.** (1) The governing body shall hold at least one public hearing concerning the creation of a proposed special district prior to the passage of a resolution of intention to create the special district. A resolution of intention to create a special district may be based upon a decision of the governing body or upon a petition that contains the required number of signatures.

(2) The resolution must designate:

(a) the proposed name of the special district;

(b) the necessity for the proposed special district;

(c) a general description of the territory or lands to be included within the proposed special district, giving the boundaries of the proposed special district;

(d) the general character of any proposed improvements and the proposed location for the proposed program or improvements;

(e) the estimated cost of the proposed program or improvements; and

(f) any requirements specifically applicable to the type of special district.

(3) (a) The governing body shall publish notice of passage of the resolution of intention to create a special district as provided in 7-1-2121 and 7-1-2122 or 7-1-4127 and 7-1-4129, as applicable. The notice must contain a notice of a hearing and the time and place where the hearing will be held.

(b) At the same time that notice is published pursuant to subsection (3) (a), the governing body must provide a list of those persons subject to potential assessment, fees, or taxation under the creation of the proposed special district. The list may not be distributed or sold for use as a mailing list in accordance with 2-6-109.

NEW SECTION. Section 6. Right to protest -- procedure -- hearing. (1) An owner of property liable to be assessed for the program or improvements in the proposed special district has 30 days from the date of the first publication of the notice of passage of the resolution of intention to make a written protest against the proposed program or improvements.

(2) The protest must be in writing, identify the property in the district owned by the protestor, be signed by all of the property owners, and be delivered to the appropriate county clerk or city clerk, who shall endorse on the protest the date of

receipt.

(3) (a) For purposes of this section, "owner" means, as of the date a protest is filed, the record owner of fee simple title to the property. (b) The term does not include a tenant of or other holder of a leasehold interest in the property.

(4) An owner of property created as a condominium may protest pursuant to the provisions in [section 18].

(5) (a) At the hearing provided for in [section 5], the governing body shall consider all protests.

(b) In determining the sufficiency of protest, each protest must be weighted in proportion to the amount of the assessment to be levied against the lot or parcel with respect to which it is made. (c) If the protest against the proposed program or improvements is made by the owners of more than 50% of the area in the proposed special district, further proceedings may not be taken by the governing body for at least 12 months.

(d) In determining whether or not sufficient protests have been filed in the proposed special district to prevent further proceedings, property owned by a governmental entity must be considered the same as any other property in the district.

(e) The decision of the governing body is final and conclusive.

(f) The governing body may adjourn the hearing from time to time.

NEW SECTION. **Section 7. Referendum -- election.** (1) The

governing body may order a referendum on the creation of the proposed special district to be submitted to the registered voters who reside within the proposed special district and the individuals qualified to vote pursuant to subsections (5) and (6).

(2) The referendum must state:

(a) the type and maximum rate of the initial proposed assessments or fees that would be imposed, consistent with the requirements of [sections 5(2)(e), 12(3), and 15];

(b) the type of activities proposed to be financed, including a general description of the program or improvements; and

(c) a general description of the areas included in the proposed special district.

(3) The referendum must be held in conjunction with a regular or primary election or must be conducted by mail ballot election as provided in Title 13, chapter 19.

(4) The proposition to be submitted to the electorate must read: "Shall the proposition to organize (name of proposed special district) be adopted?"

(5) An individual is entitled to vote on the proposition if the individual:

(a) meets all qualifications required of electors under the general election laws of the state; and

(b) is a resident of or owner of taxable real property in the area subject to the proposed special district.

(6) An individual who is the owner of real property described in subsection (5)(b) need not possess the qualifications required of an elector in subsection (5)(a) if the individual is qualified to vote in any county of the state and files proof of registration with the election administrator at least 20 days prior to the referendum in which the individual intends to vote.

(7) The referendum must be conducted, the vote canvassed, and the result declared in the same manner as provided by Title 13 in respect to general elections, so far as it is applicable, except as provided in subsection (3).

(8) The election administrator of each county shall immediately file with the secretary of state a certificate stating that the proposition was adopted and record the certificate in the office of the clerk and recorder of the county or counties in which the special district is situated.

NEW SECTION. Section 8. Certificate of establishment. (1) Upon receipt of the certificate referred to in [section 7(8)], the secretary of state shall, within 10 days, issue a certificate reciting that the specified district has been established according to the laws of the state of Montana. A copy of the certificate must be transmitted to and filed with the clerk of the county or counties in which the district is situated. (2) When the certificate is issued by the secretary of state, the district named in the certificate is established with all the

rights, privileges, and powers set forth in [section 12].

NEW SECTION. **Section 9. Order creating district -- power to implement program.** (1) The governing body may create a special district and establish assessments or fees if the governing body finds that insufficient protests have been made in accordance with [section 6] or if the eligible registered voters have approved a referendum as provided in [section 7].

(2) To create a special district, the governing body shall issue an order or pass an ordinance in accordance with the resolution of intention introduced and passed by the governing body or in accordance with the terms of the referendum. This must be done within 30 days of the end of the protest period or the referendum.

(3) If the governing body creates the special district of its own accord and without a referendum being held, a copy of the order or ordinance creating the district, certified by the clerk of the governing body, must be delivered to the clerk and recorder of the county or counties in which the special district is situated and to the secretary of state, who shall issue a certificate of establishment in accordance with [section 8].

through the Montana Geographical Information System portal at the Montana State Library.

NEW SECTION. **Section 11. Limitations on lawsuits.** (1) A finding of the governing body in favor of the genuineness and sufficiency of the petition or election is final and conclusive against all persons except the state of Montana upon suit brought by the attorney general.

(2) A lawsuit filed by the attorney general must be filed by the earlier of:

(a) 1 year after the order or ordinance creating the special district is approved by the governing body; or

(b) the issuance of bonds to implement the program or improvements approved for the special district.

NEW SECTION. **Section 12. Governance -- powers and duties.**

(3) The governing body shall assess the percentage of the cost of the program or improvements against the entire district as follows:

(a) each lot or parcel of land within the special district may be assessed for that part of the cost that its assessable area bears to the assessable area of the entire special district, exclusive of roads, streets, avenues, alleys, and public places;

(b) if the governing body determines that the benefits derived from the program or improvements by each lot or parcel are substantially equivalent, the cost may be assessed equally to each lot or parcel located within the special district without regard to the assessable area of the lot or parcel;

(c) each lot or parcel of land, including the improvements on the lot or parcel, may be assessed for that part of the cost of the special district that its taxable valuation bears to the total taxable valuation of the property of the district;

(d) each lot or parcel of land may be assessed based on the lineal front footage of any part of the lot or parcel which is in the district and abuts the area to be improved or maintained;

(e) each lot or parcel of land within the district may be assessed for that part of the cost that the reasonably estimated vehicle trips generated for a lot or parcel of its size in its zoning classification bear to the reasonably estimated vehicle trips generated for all lots in the district based on their size and zoning classification; or

(f) any combination of the assessment options provided in subsections (3)(a), (3)(c), (3)(d) and (3)(e) may be used for the special district as a whole or for any lot or parcel within the special district.

(4) If property created as a condominium is subject to assessment, each unit within the condominium is considered a separate parcel of real property subject to separate assessment and the lien of the assessment. Each unit must be assessed for the unit's percentage of undivided interest in the common elements of the condominium. The percentage of the undivided ownership interest must be as set forth in the condominium declaration.

NEW SECTION. **Section 16. Notice of resolution for**

assessment -- assessment. (1) The governing body shall estimate, as near as practicable, the cost of each established special district annually by the later of the second Monday in August or within 45 calendar days after receiving certified taxable values from the department of revenue.

(2) The governing body shall pass and finally adopt a resolution specifying the special district assessment option and levying and assessing all the property within the special district with an amount equal to the annual cost of the program and improvements.

(3) The resolution levying the assessment to defray the cost of the special district must contain or refer to a list that describes the lot or parcel of land assessed with the name of the owner of the lot or parcel, if known, and the amount assessed.

(4) The resolution must be kept on file in the office of the clerk of the governing body.

(5) A notice, signed by the clerk of the governing body, stating that the resolution levying a special assessment or changing the method of assessment to defray the cost of the special district is on file in the clerk's office and subject to inspection must be published as provided in 7-1-2121 or 7-1-4127. The notice must state the time and place at which objections to the final adoption of the resolution will be heard by the governing body and must contain a statement setting out the method of assessment being proposed for adoption or the change in

assessment being proposed for adoption. The time for the hearing must be at least 5 days after the final publication of the notice.

(6) The notice and hearing process may be included in the local government's general budgeting process as provided in Title 7, chapter 6, part 40.

(7) At the time set, the governing body shall meet and hear all objections that may be made to the assessment or any part of the assessment, may adjourn from time to time for that purpose, and may by resolution modify the assessment.

(8) A copy of the resolution, certified by the clerk of the governing body, must be delivered to the department of revenue at the same time and in the same manner as other taxes and assessments are provided and to the treasurer or financial officer of the local government.

NEW SECTION. Section 17. Collection of special district assessments. (1) When a resolution of assessment has been certified by the clerk of the local government, the county treasurer or the city treasurer or town clerk, as provided in 7-12-4182, shall collect the assessment in the same manner and at the same time as taxes for general purposes are collected.

(2) All money received by the special district, including interest and earnings accrued, must be deposited in an account held only for the special district by the county or city treasurer's office.

NEW SECTION. **Section 18. Payment of assessment under protest -- action to recover.** (1) When an assessment made under [sections 1 through 20] is considered unlawful by the party whose property is charged or from whom the payment is demanded, the person may pay the assessment or any part of the assessment considered to be unlawful under protest to the county treasurer.

(2) The party paying under protest or the party's legal representative may bring an action in any court of competent jurisdiction against the officer to whom the assessment was paid or against the local government in whose behalf the assessment was collected to recover the assessment or any portion of the assessment paid under protest. An action instituted to recover the assessment paid under protest must be commenced within 90 days after the date of payment.

(3) The assessment paid under protest must be held by the county treasurer until the determination of an action brought for the recovery of the assessment.

(4) If the assessment considered to be unlawful pertains to property created as a condominium and the property is not solely a certain unit in the condominium, then the owner of the property created as a condominium that is entitled to protest is considered to be the collective owners of all units having an undivided ownership interest in the common elements of the condominium. (5) An owner of property created as a condominium may protest against the method of assessment or vote at an

election of the special district only through a president, vice president, secretary, or treasurer of the condominium owners' association who timely presents to the secretary of the special district the following: (a) a writing identifying the condominium property; (b) the condominium declaration or other condominium document that shows how votes of unit owners in the condominium are calculated; (c) original signatures of owners of units in the condominium having an undivided ownership interest in the common elements of the condominium sufficient to constitute an affirmative vote for an undertaking relating to the common elements under the condominium declaration; and (d) a certificate signed by the president, vice president, secretary, or treasurer of the condominium owners' association certifying that the votes of the unit owners, as evidenced by the signatures of the owners, are sufficient to constitute an affirmative vote of the condominium owners' association to protest against the method of assessment.

NEW SECTION. **Section 19. Assessments as liens.** (1) An assessment made and levied to defray the cost and expenses of the program or improvements, together with any percentages imposed for delinquency and for cost of collection, constitutes a lien upon the property on which the assessment is made and levied from the date of the passage of the resolution levying the assessment. This lien may be extinguished only by payment of the assessment, with all penalties, costs, and interest, or by sale of the

property as provided in subsection (2).

(2) When the payment of an installment of an assessment becomes delinquent, all payments of subsequent installments of the assessment may, at the option of the governing body and upon adoption of the appropriate resolutions, become delinquent. Upon delinquency in one or all installments, the whole property must be sold in the same manner as other property is sold for taxes. The enforcement of the lien of any installment of a special assessment by any method authorized by law does not prevent the enforcement of the lien of any subsequent installment when it becomes delinquent.

NEW SECTION. **Section 20. Dissolution of special district.**

(1) A special district may be dissolved if it is considered to be in the best interest of a local government or the inhabitants of the local government or if the purpose for creating the special district has been fulfilled and the special district is not needed in perpetuity.

(2) The governing body may pass a resolution of intention to dissolve a special district upon its own request or upon request of the separate board administering the special district.

(3) After the passage of the resolution provided for in subsection (2), the clerk of the local government that established the special district shall publish a notice, as provided in 7-1-2121 or 7-1-4127, of the intention to dissolve the district.

(4) The notice must specify the boundaries of the special district to be dissolved, the date of the passage of the resolution of intention to dissolve, the date set for the passage of the resolution of dissolution, and that the resolution will be passed unless the clerk of the local government receives written protest in advance from:

(a) 40% of the owners of real property in the district; or

(b) 40% of the property taxpayers, if the district program or improvements have been financed through a mill levy.

(5) If the special district is dissolved, the clerk of the local government shall immediately send written notice to:

(a) the secretary of state; and

(b) the department of revenue, providing the same information required in [section 10] when a district is created.

The department of revenue and the department of administration shall respond to the dissolution in the same manner they respond to the creation of a district, as described in [section 10].

(6) The dissolution of a special district may not relieve the property owners from the assessment and payment of a sufficient amount to liquidate all charges existing against the special district prior to the date of dissolution.

(7) Any assets remaining after all debts and obligations of the special district have been paid, discharged, or irrevocably settled must be:

(a) deposited in the general fund of the local government;

(b) in the case of multiple local governments, divided in

accordance with their interlocal agreement and deposited in the general fund of each local government; or

(c) transferred to a new special district that has been created to provide substantially the same service as provided by the dissolved special district.

(8) If the remaining assets are derived from private grants or gifts that restrict the use of those funds, the funds must be returned to the grantor or donor.

(11) A majority of members constitutes a quorum for the purposes of conducting business and exercising powers and responsibilities. Action may be taken by a majority vote of members present and voting, unless the resolution creating the board, district, or commission specifies otherwise.

(12) An administrative board, district, or commission shall provide for the keeping of written minutes, including the final vote on all actions and the vote of each member.

(13) An administrative board, district, or commission shall provide by rule for the date, time, and place of regularly scheduled meetings and file the information with the county commissioners.
