Dear Commissioners,

As a resident of Jefferson County, I am totally opposed to having Jefferson County split up for the benefit of Butte/Silver Bow County. Each of the four plans submitted by the Montana Districting and Apportionment Commission and the plan submitted by the Democrats on the Commission all put some portion of Jefferson County into Butte/Silver Bow County. This is simply unacceptable.

If you are going to consider the three discretionary criteria you set up at the beginning of this process, you will understand why none of these proposals make any sense.

- 1.) Following the lines of political units. Jefferson County is about 1,500 people over the ideal district size. Since our existing district is most of Jefferson County, we should start there and make every effort to keep Jefferson County as whole as possible, the remain population staying with its Community of Interest in Madison County .
- 2.) Following geographic boundaries. The Continental Divide separates Jefferson and Butte/Silver Bow Counties. That is a very distinct geographic boundary between our counties that should be respected.
Keeping communities of interest intact. Many people live in Jefferson County because they don't want the impacts and influences of urban areas. Most of Jefferson County should be one district, with an area of the county South of Interstate 90 remaining as part of the district that represents Madison County. The Whitehall Elementary and Whitehall High School District both include portions of Madison County. The Jefferson Valley Rural Fire District also extends into Madison County. Kids from Jefferson County participate in 4-H and the Madison County Fair in Twin Bridges. Jefferson and Madison Counties share an MSU Extension Agent. In short, Southern Jefferson County and Northern Madison County are clearly a "Community of Interest", and should remain together.

Jefferson County is located between three large urban counties, Lewis and Clark, Butte/Silver Bow, and Gallatin. It is important that we keep our own district so that we can maintain our proud identity. Please keep Jefferson County as whole as possible and allow a portion of Southern Jefferson County to remain with their "Community of Interest" in Northern Madison County.

Thank you for your consideration.

Dear Commissioners,

As a resident of Jefferson County, I am totally opposed to having Jefferson County split up for the benefit of Butte/Silver Bow County. Each of the four plans submitted by the Montana Districting and Apportionment Commission and the plan submitted by the Democrats on the Commission all put some portion of Jefferson County into Butte/Silver Bow County. This is simply unacceptable.

If you are going to consider the three discretionary criteria you set up at the beginning of this process, you will understand why none of these proposals make any sense.

- 1.) Following the lines of political units. Jefferson County is about 1,500 people over the ideal district size. Since our existing district is most of Jefferson County, we should start there and make every effort to keep Jefferson County as whole as possible, the remain population staying with its Community of Interest in Madison County .
- 2.) Following geographic boundaries. The Continental Divide separates Jefferson and Butte/Silver Bow Counties. That is a very distinct geographic boundary between our counties that should be respected.
- 3.) Keeping communities of interest intact. Many people live in Jefferson County because they don't want the impacts and influences of urban areas. Most of Jefferson County should be one district, with an area of the county South of Interstate 90 remaining as part of the district that represents Madison County. The Whitehall Elementary and Whitehall High School District both include portions of Madison County. The Jefferson Valley Rural Fire District also extends into Madison County. Kids from Jefferson County participate in 4-H and the Madison County Fair in Twin Bridges. Jefferson and Madison Counties share an MSU Extension Agent. In short, Southern Jefferson County and Northern Madison County are clearly a "Community of Interest", and should remain together.

Jefferson County is located between three large urban counties, Lewis and Clark, Butte/Silver Bow, and Gallatin. It is important that we keep our own district so that we can maintain our proud identity. Please keep Jefferson County as whole as possible and allow a portion of Southern Jefferson County to remain with their "Community of Interest" in Northern Madison County.

Thank you for your consideration.
