

Responses to Survey - Board of Chiropractors

Total responses: 3

Highest Compliment	Ability to monitor on behalf of licensees - 2		Efficiency - 1
Biggest Complaint	None - 3		
Reasons the board is important: To organize licensing - 1 Monitoring profession in all aspects - 1 Keeps the quality of our profession high and regulates those with unethical business practices. -1			
<i>Public Health</i>	<i>Public Welfare</i>	<i>Public Safety</i> - 1	<i>All or combination</i> - 2
Scope of Practice:	<i>Too Narrow</i> - 2 One comment: Add acupuncture and injections of homeopathic products.	<i>Too Broad</i>	<i>Just Right</i> 1
Problems with other professions' scope of practice - Board of Medical Examiners - 1 Board of Physical Therapy Examiners - 1			
What laws/regulations have caused the most problems? only 1 response (see below)			
Continuing education requirements are okay, but the resources/sources available to fulfill them is slim. Can be hard to find courses that fit my schedule.			
Other comments: Respondents were not board members 3			
Nonlicensee comments	Saying Board of Chiropractors Necessary for Public Health - 55, Public Safety - 27, Public Welfare - 16
