

Responses to Survey - Board of Veterinary Medicine

Total responses: 2

Highest Compliment	<ul style="list-style-type: none"> ability to monitor profession on behalf of licensees -- 1 	<ul style="list-style-type: none"> ability to streamline continuing education processes - 1 	<ul style="list-style-type: none"> ability to keep profession from criticism because of bad actors -
Biggest Complaint	<ul style="list-style-type: none"> board's response to unlicensed practice - 1 	<ul style="list-style-type: none"> lack of information - 	<ul style="list-style-type: none"> none - 1
<p>Reasons the board is important:</p> <ul style="list-style-type: none"> Know that those who practice medicine in the state have a minimum knowledge of state laws, and can be excluded for violations or malpractice 			
<i>Public Health</i>	<i>Public Welfare</i>	<i>Public Safety -</i>	<i>All or combination - 2</i>
<i>Other:</i>			
Scope of Practice:	<i>Too Narrow - 1</i>	<i>Too Broad</i>	<i>Just Right - 1</i>
<p>Comments: Scope needs to be expanded to take in equine dentistry, chiropracty, acupuncture and naturopathy. (and future areas of "new" medicine as needed):</p>			
Problems with other professions' scope of practice			
What laws/regulations have caused the most problems?			
<ul style="list-style-type: none"> Delay in renewal application information. 			
Other comments:			
<p><i>Criminal Complaints Filed:</i> Yes 1 <i>Board Effective?</i> No 1 <i>Give Example:</i> A criminal practice was observed, and then instead of investigating, they sent a notice to the business of the complaint and with a response of denial, that was the end of the "investigation". <i>What should have happened?</i> - The board needs to support the licensed contractor and work with, not against.</p>			
Scope of Practice Problems: none listed			
Nonlicensee comments	Saying Board of Pharmacy Necessary for Public Health - 47, Public Safety - 31 , Public Welfare - 22
