State of Montana 1st Quarter 2014 Small Group Major Medical Rates

PacificSource Plans offered via the Montana Federally Facilitated Marketplace

The age for each person is based on their first date of coverage in 2014. For children under the age of 21, only the three oldest children will be included in the family premium. Region is based on county of employer.

This table does not include every possible monthly premium. **Included:** The rounded cost by plan and region for the specific ages shown. **Not included:** Other ages, dental premiums, smoking surcharges, Platinum plans, off exchange or individual options, and subsidies.

The cost sharing in this summary applies to "in-network" services only. Out-of-network services have higher cost sharing. Please see the policy language. Be sure to review plan details to know what applies to deductibles, exact copays and coinsurance for particular services, out-of-network coverage, excluded benefits, formularies, provider networks, etc.
