

Legislative Council

June 6, 2014

Session Systems Replacement (SSR)

The SSR project will move the Legislative Session Systems to a stable environment on modern technology. The new system will provide the information we have today, while allowing us to offer additional features and functionality to our end users.

Completed since last meeting

- Requirements finalized
- Finished site visits and incorporate lessons learned
- RFP completed and published
- Pre proposal conference
- Question and Answer cycle

In Process

RFP

Evaluation preparation

What comes next?
