Mission: To help Montanans innovate and grow businesses that produce and commercialize food, agricultural and renewable energy products and processes - creating wealth and jobs in our communities and on our farms and ranches.

There are 4 centers - located in Joliet, Havre, Butte and Ronan. The centers operate as a statewide network serving community-based businesses throughout Montana.

The network provides training, coaching and technical assistance, including:

- Product development, testing and analysis
- Regulatory compliance training
- Food processing
- Business planning and development
- Market research
- Business networking
- Access to financing
