Commissioner Motl,

Pursuant to section 2-4-305(9), MCA, on August 19, 2015, the State Administration and Veterans' Affairs Interim Committee objected to Montana Administrative Register Notice No. 44-2-207. The committee will address the rule proposal and its objection at its next committee meeting on October 14, 2015.

The Committee would like the opportunity to further discuss the proposed rules with you or your staff before considering whether to renew its objection. The committee is particularly interested in learning more information about the office's process of "fully consider[ing] written and oral submission respecting the proposed rule[s]," including whether and how the Commissioner intends to adjust the proposed rules in light of any public comment received during the formal public comment period (2-4-305, MCA).

If you have any questions or concerns, please do not hesitate to contact me.
