Senator Gordon Vance  
Representative Nate McConnell

Dear Senator Vance and Representative McConnell:

On behalf of the Labor-Management Advisory Council, we wish to express our gratitude for the Economic Affair Interim Committee's support in reappointing our council for another term. We have a strong interest in supporting your efforts in evaluating the Workers' Compensation System as defined in Senate Resolution 27. We are available to research, evaluate, and provide recommendations on any of the issues you wish to pursue.

As part of our directive, we also intend to study many parts of the Workers' Compensation System. This work may or may not overlap with the plans you are designing. We will be happy to share with you any progress and/or recommendations we arrive upon through that effort.

Thank you for your continued support and we look forward to working with you throughout the interim session.

Sincerely,

Jim Larson  
LMAC, Co-Chair  
Representing Labor
