

SJ 25 Study Materials: Information on county detention center peer reviews

At the January 2018 meeting, LJC members requested more information about peer reviews of Montana detention centers. The Montana Sheriffs and Peace Officers Association has provided information about completed peer reviews. This packet includes:

- A list of each detention center in the state, with the ones that have completed a peer review highlighted
- A more detailed list that provides the date each review was completed and the names of the personnel that performed the review
