Federal VA Veterans Service Facilities

Did you know that...

There are about 100,000 Montana veterans, with many eligible for benefits due to their military service. The State of Montana and the federal VA has an extremely wide spectrum of benefits. However, many veterans are not aware of the benefits and assistance available to them; and will not attain any unless they personally apply for the benefits.

The Montana Board of Veterans Affairs goal is to inform as many people as possible that there is assistance available; and that assistance is provided – at no charge – by the State of Montana's Veterans Affairs Division, which has service offices located throughout the state.

Each service officer is fully trained, accredited and certified, to provide the best service possible for the veteran or veteran family member client. All it takes is a phone call or an e-mail message.

Federal and State Programs and Benefits Offered to Veterans:

- Health Care
- Service-Connected Disability Compensation
- Pension
- Education and Training
- Burial and Survivor Benefits
- Employment Services
- Vehicle Registration Waiver
- Property Tax Waiver
- Home and Business Loans
- "Veteran" on State Driver's License

Every program or benefit has specific qualifying eligibility criteria. It is very important that veterans contact the nearest State of Montana Veteran Service Office to determine specific benefits or entitlements attainable. Each and every veteran's military experience is singular, and the benefits available are specific to the veteran.
