**Subject:** EAIC Committee Request - UI payments by source

Hi Pat,

Here is the requested breakdown of UI benefit payments by source from 3/12/2020 through 4/30/2020. Regular UI is Montana UI Trust Fund. FPUC and PUA are federally funded via CARES Act.

Regular UI	\$ 72,148,268.68
FPUC (Reg UI)	111,753,078.00
PUA	7,050,596.32
FPUC (PUA)	<u>16,653,248.68</u>
Total	\$ 207,605,191.68

This doesn't account for federal fund coverage of eliminated waiting week under our emergency rules. It will reduce Regular UI outlay by some amount.

We received federal guidance about administration and reporting of waiting week elimination today. I will look at it over the weekend.

Thanks,

Brenda
