**- credit amount.** (1) There is a credit against the taxes imposed by this chapter for a portion of property tax billed and rent-equivalent property tax paid by a claimant in the tax year as provided in this section.

(2) The amount of the credit allowed under this section is equal to the property tax billed or rent-equivalent property tax paid in the tax year times 0.75 minus the threshold amount.

(3) If the amount determined is equal to or less than zero, there is no credit.

(4) If two or more individuals share a qualified rental residence, each individual may claim the credit based on the proportional share that the individual pays of the gross rent.

(5) If the amount of the credit exceeds the claimant's liability under this chapter, the amount of the excess must be refunded to the claimant. The credit may be claimed even though the claimant has no taxable income under this chapter.

**NEW SECTION. Section 4. Property tax and rent-equivalent property tax circuit breaker tax**

(2) A receipt showing property taxes billed or gross rent paid must be filed with each claim. Each claimant shall, at the request of the department, supply all additional information necessary to support a claim.

(3) The department may grant a reasonable extension for filing a claim whenever, in its judgement, good cause exists.

(6) A person filing a false or fraudulent claim under the provisions of [section 1 through 4] must be charged with the offense of unsworn falsification to authorities pursuant to 45-7-203. If a false or fraudulent

1 claim has been paid, the amount paid, penalties, and interest may be recovered as provided in 15-1-216.

17 (o) property owned by a nonprofit corporation that is organized to provide facilities primarily for  
18 training and practice for or competition in international sports and athletic events and that is not held or used for

21 and admitted under the Montana Nonprofit Corporation Act.

22 (p) property rented or leased to a municipality or taxing unit for less than \$100 a year and that is used  
23 for public park, recreation, or landscape beautification purposes. For the purposes of this subsection (1)(p),  
24 "property" includes land but does not include buildings. The exemption must be applied for by the municipality  
25 or taxing unit, and not more than 10 acres within the municipality or taxing unit may be exempted.

26 (2) (a) (i) For the purposes of tribal property under subsection (1)(a)(viii), the property subject to  
27 exemption may not be:

28 (A) operated for gain or profit;

- 1 (B) held under contract to operate, lease, or sell by a taxable individual;

- 5 be:
- 6 (A) set aside by tribal resolution and designated as park land, not to exceed 640 acres, or be
- 7 designated as a recreational facility; and
- 8 (B) open to the general public.
- 9 (b) For the purposes of subsection (1)(b), the term "clergy" means, as recognized under the federal
- 10 Internal Revenue Code:
- 11 (i) an ordained minister, priest, or rabbi;

- 15 (iv) a Christian Science practitioner.
- 16 (c) For the purposes of subsection (1)(i):
- 17 (i) the term "institutions of purely public charity" includes any organization that meets the following
- 18 requirements:
- 19 (A) The organization offers its charitable goods or services to persons without regard to race, religion,
- 20 creed, or gender and qualifies as a tax-exempt organization under the provisions of section 501(c)(3), Internal
- 21 Revenue Code, as amended.
- 22 (B) The organization accomplishes its activities through absolute gratuity or grants. However, the
- 23 organization may solicit or raise funds by the sale of merchandise, memberships, or tickets to public
- 24 performances or entertainment or by other similar types of fundraising activities.
- 25 (ii) agricultural property owned by a purely public charity is not exempt if the agricultural property is
- 26 used by the charity to produce unrelated business taxable income as that term is defined in section 512 of the
- 27 Internal Revenue Code, 26 U.S.C. 512. A public charity claiming an exemption for agricultural property shall file
- 28 annually with the department a copy of its federal tax return reporting any unrelated business taxable income

1 received by the charity during the tax year, together with a statement indicating whether the exempt property  
2 was used to generate any unrelated business taxable income.

3 (iii) up to 15 acres of property owned by a purely public charity is exempt at the time of its purchase  
4 even if the property must be improved before it can directly be used for its intended charitable purpose. If the  
5 property is not directly used for the charitable purpose within 8 years of receiving an exemption under this  
6 section or if the property is sold or transferred before it entered direct charitable use, the exemption is revoked  
7 and the property is taxable. In addition to taxes due for the first year that the property becomes taxable, the  
8 owner of the property shall pay an amount equal to the amount of the tax due that year times the number of  
9 years that the property was tax-exempt under this section. The amount due is a lien upon the property and  
10 when collected must be distributed by the treasurer to funds and accounts in the same ratio as property tax  
11 collected on the property is distributed. At the time the exemption is granted, the department shall file a notice  
12 with the clerk and recorder in the county in which the property is located. The notice must indicate that an  
13 exemption pursuant to this section has been granted. The notice must describe the penalty for default under  
14 this section and must specify that a default under this section will create a lien on the property by operation of  
15 law. The notice must be on a form prescribed by the department.

16 (iv) not more than 160 acres may be exempted by a purely public charity under any exemption  
17 originally applied for after December 31, 2004. An application for exemption under this section must contain a  
18 legal description of the property for which the exemption is requested.

19 (d) For the purposes of subsection (1)(k), the term "public museums, art galleries, zoos, and  
20 observatories" means governmental entities or nonprofit organizations whose principal purpose is to hold  
21 property for public display or for use as a museum, art gallery, zoo, or observatory. The exempt property  
22 includes all real and personal property owned by the public museum, art gallery, zoo, or observatory that is  
23 reasonably necessary for use in connection with the public display or observatory use. Unless the property is  
24 leased for a profit to a governmental entity or nonprofit organization by an individual or for-profit organization,  
25 real and personal property owned by other persons is exempt if it is:

- 26 (i) actually used by the governmental entity or nonprofit organization as a part of its public display;  
27 (ii) held for future display; or  
28 (iii) used to house or store a public display.

1 (e) For the purposes of facilities for the care of the retired, aged, or chronically ill under subsection  
2 (1)(n)(ii), the terms "retired" and "aged" mean an individual who ~~satisfies the age-~~ is 62 years of age or older  
3 and has a gross household income ~~limitations of 15-30-2338~~ of less than \$45,000. The property owner shall  
4 verify age and gross household income requirements on a form prescribed by the department. Applicants are  
5 subject to the false swearing penalties established in 45-7-202."

6  
7 **Section 6.** Section 15-7-102, MCA, is amended to read:

8 **"15-7-102. Notice of classification, market value, and taxable value to owners -- appeals.** (1) (a)

9 Except as provided in 15-7-138, the department shall mail or provide electronically to each owner or purchaser  
10 under contract for deed a notice that includes the land classification, market value, and taxable value of the  
11 land and improvements owned or being purchased. A notice must be mailed or, with property owner consent,  
12 provided electronically to the owner only if one or more of the following changes pertaining to the land or  
13 improvements have been made since the last notice:

- 14 (i) change in ownership;  
15 (ii) change in classification;  
16 (iii) change in valuation; or  
17 (iv) addition or subtraction of personal property affixed to the land.

18 (b) The notice must include the following for the taxpayer's informational and informal classification  
19 and appraisal review purposes:

20 (i) a notice of the availability of ~~all the property tax assistance programs available to property~~  
21 ~~taxpayers, including the intangible land value assistance program provided for in 15-6-240, the property tax~~  
22 ~~assistance programs provided for in Title 15, chapter 6, part 3, and the residential property tax credit for the~~  
23 ~~elderly provided for in 15-30-2337 through 15-30-2341~~ the property tax and rent-equivalent property tax circuit  
24 breaker credit provided for in [sections 1 through 4];

25 (ii) the total amount of mills levied against the property in the prior year;

26 (iii) a statement that the notice is not a tax bill; and

27 (iv) a taxpayer option to request an informal classification and appraisal review by checking a box on  
28 the notice and returning it to the department.

1 (c) When the department uses an appraisal method that values land and improvements as a unit,  
2 including the sales comparison approach for residential condominiums or the income approach for commercial  
3 property, the notice must contain a combined appraised value of land and improvements.

4 (d) Any misinformation provided in the information required by subsection (1)(b) does not affect the  
5 validity of the notice and may not be used as a basis for a challenge of the legality of the notice.

6 (2) (a) Except as provided in subsection (2)(c), the department shall assign each classification and  
7 appraisal to the correct owner or purchaser under contract for deed and mail or provide electronically the notice  
8 in written or electronic form, adopted by the department, containing sufficient information in a comprehensible  
9 manner designed to fully inform the taxpayer as to the classification and appraisal of the property and of  
10 changes over the prior tax year.

11 (b) The notice must advise the taxpayer that in order to be eligible for a refund of taxes from an  
12 appeal of the classification or appraisal, the taxpayer is required to pay the taxes under protest as provided in  
13 15-1-402.

14 (c) The department is not required to mail or provide electronically the notice to a new owner or  
15 purchaser under contract for deed unless the department has received the realty transfer certificate from the  
16 clerk and recorder as provided in 15-7-304 and has processed the certificate before the notices required by  
17 subsection (2)(a) are mailed or provided electronically. The department shall notify the county tax appeal board  
18 of the date of the mailing or the date when the taxpayer is informed the information is available electronically.

19 (3) (a) If the owner of any land and improvements is dissatisfied with the appraisal as it reflects the  
20 market value of the property as determined by the department or with the classification of the land or  
21 improvements, the owner may request an informal classification and appraisal review by submitting an  
22 objection on written or electronic forms provided by the department for that purpose or by checking a box on the  
23 notice and returning it to the department in a manner prescribed by the department.

24 (i) For property other than class three property described in 15-6-133, class four property described in  
25 15-6-134, and class ten property described in 15-6-143, the objection must be submitted within 30 days from  
26 the date on the notice.

27 (ii) For class three property described in 15-6-133 and class four property described in 15-6-134, the  
28 objection may be made only once each valuation cycle. An objection must be made in writing or by checking a

1 box on the notice within 30 days from the date on the classification and appraisal notice for a reduction in the  
2 appraised value to be considered for both years of the 2-year valuation cycle. An objection made more than 30  
3 days from the date of the classification and appraisal notice will be applicable only for the second year of the 2-  
4 year valuation cycle. For an objection to apply to the second year of the valuation cycle, the taxpayer must  
5 make the objection in writing or by checking a box on the notice no later than June 1 of the second year of the  
6 valuation cycle or, if a classification and appraisal notice is received in the second year of the valuation cycle,  
7 within 30 days from the date on the notice.

8 (iii) For class ten property described in 15-6-143, the objection may be made at any time but only once  
9 each valuation cycle. An objection must be made in writing or by checking a box on the notice within 30 days  
10 from the date on the classification and appraisal notice for a reduction in the appraised value to be considered  
11 for all years of the 6-year appraisal cycle. An objection made more than 30 days after the date of the  
12 classification and appraisal notice applies only for the subsequent remaining years of the 6-year reappraisal  
13 cycle. For an objection to apply to any subsequent year of the valuation cycle, the taxpayer must make the  
14 objection in writing or by checking a box on the notice no later than June 1 of the year for which the value is  
15 being appealed or, if a classification and appraisal notice is received after the first year of the valuation cycle,  
16 within 30 days from the date on the notice.

17 (b) If the objection relates to residential or commercial property and the objector agrees to the  
18 confidentiality requirements, the department shall provide to the objector, by posted mail or electronically, within  
19 8 weeks of submission of the objection, the following information:

20 (i) the methodology and sources of data used by the department in the valuation of the property; and  
21 (ii) if the department uses a blend of evaluations developed from various sources, the reasons that the  
22 methodology was used.

23 (c) At the request of the objector, and only if the objector signs a written or electronic confidentiality  
24 agreement, the department shall provide in written or electronic form:

25 (i) comparable sales data used by the department to value the property; and

26 (ii) sales data used by the department to value residential property in the property taxpayer's market  
27 model area.

28 (d) For properties valued using the income approach as one approximation of market value, notice

1 must be provided that the taxpayer will be given a form to acknowledge confidentiality requirements for the  
2 receipt of all aggregate model output that the department used in the valuation model for the property.

3 (e) The review must be conducted informally and is not subject to the contested case procedures of  
4 the Montana Administrative Procedure Act. As a part of the review, the department may consider the actual  
5 selling price of the property and other relevant information presented by the taxpayer in support of the  
6 taxpayer's opinion as to the market value of the property. The department shall consider an independent  
7 appraisal provided by the taxpayer if the appraisal meets standards set by the Montana board of real estate  
8 appraisers and the appraisal was completed within 6 months of the valuation date pursuant to 15-8-201. If the  
9 department does not use the appraisal provided by the taxpayer in conducting the appeal, the department must  
10 provide to the taxpayer the reason for not using the appraisal. The department shall give reasonable notice to  
11 the taxpayer of the time and place of the review.

12 (f) After the review, the department shall determine the correct appraisal and classification of the land  
13 or improvements and notify the taxpayer of its determination by mail or electronically. The department may not  
14 determine an appraised value that is higher than the value that was the subject of the objection unless the  
15 reason for an increase was the result of a physical change in the property or caused by an error in the  
16 description of the property or data available for the property that is kept by the department and used for  
17 calculating the appraised value. In the notification, the department shall state its reasons for revising the  
18 classification or appraisal. When the proper appraisal and classification have been determined, the land must  
19 be classified and the improvements appraised in the manner ordered by the department.

20 (4) Whether a review as provided in subsection (3) is held or not, the department may not adjust an  
21 appraisal or classification upon the taxpayer's objection unless:

22 (a) the taxpayer has submitted an objection on written or electronic forms provided by the department  
23 or by checking a box on the notice; and

24 (b) the department has provided to the objector by mail or electronically its stated reason in writing for  
25 making the adjustment.

26 (5) A taxpayer's written objection or objection made by checking a box on the notice and  
27 supplemental information provided by a taxpayer that elects to check a box on the notice to a classification or  
28 appraisal and the department's notification to the taxpayer of its determination and the reason for that

1 determination are public records. The department shall make the records available for inspection during regular  
2 office hours.

3 (6) If a property owner feels aggrieved by the classification or appraisal made by the department after  
4 the review provided for in subsection (3), the property owner has the right to first appeal to the county tax  
5 appeal board and then to the state tax appeal board, whose findings are final subject to the right of review in  
6 the courts. The appeal to the county tax appeal board, pursuant to 15-15-102, must be filed within 30 days from  
7 the date on the notice of the department's determination. A county tax appeal board or the state tax appeal

9 relevant information presented by the taxpayer as evidence of the market value of the property. If the county tax  
10 appeal board or the state tax appeal board determines that an adjustment should be made, the department  
11 shall adjust the base value of the property in accordance with the board's order."

13 **Section 7.** Section 15-16-101, MCA, is amended to read:

14 **"15-16-101. Treasurer to publish notice -- manner of publication.** (1) Within 10 days after the  
15 receipt of the property tax record, the county treasurer shall publish a notice specifying:

16 (a) that one-half of all taxes levied and assessed will be due and payable before 5 p.m. on the next  
17 November 30 or within 30 days after the notice is postmarked and that unless paid prior to that time the amount  
18 then due will be delinquent and will draw interest at the rate of 5/6 of 1% a month from the time of delinquency  
19 until paid and 2% will be added to the delinquent taxes as a penalty;

20 (b) that one-half of all taxes levied and assessed will be due and payable on or before 5 p.m. on the  
21 next May 31 and that unless paid prior to that time the taxes will be delinquent and will draw interest at the rate  
22 of 5/6 of 1% a month from the time of delinquency until paid and 2% will be added to the delinquent taxes as a  
23 penalty; and

24 (c) the time and place at which payment of taxes may be made.

25 (2) (a) The county treasurer shall send to the last-known address of each taxpayer a written notice,  
26 postage prepaid, showing the amount of taxes and assessments due for the current year and the amount due  
27 and delinquent for other years. The written notice must include:

28 (i) the taxable value of the property;

- 1 (ii) the total mill levy applied to that taxable value;
- 2 (iii) itemized city services and special improvement district assessments collected by the county;
- 3 (iv) the number of the school district in which the property is located;
- 4 (v) the amount of the total tax due that is levied as city tax, county tax, state tax, school district tax,

11 (b) If a tax lien is attached to the property, the notice must also include, in a manner calculated to  
 12 draw attention, a statement that a tax lien is attached to the property, that failure to respond will result in loss of  
 13 property, and that the taxpayer may contact the county treasurer for complete information.

14 (3) The municipality shall, upon request of the county treasurer, provide the information to be included  
 15 under subsection (2)(a)(iii) ready for mailing.

16 (4) The notice in every case must be given as provided in 7-1-2121. Failure to publish or post notices  
 17 does not relieve the taxpayer from any tax liability. Any failure to give notice of the tax due for the current year  
 18 or of delinquent tax will not affect the legality of the tax.

19 (5) If the department revises an assessment that results in an additional tax of \$5 or less, an  
 20 additional tax is not owed and a new tax bill does not need to be prepared."

21

22 **Section 8.** Section 15-16-102, MCA, is amended to read:

23 **"15-16-102. Time for payment -- penalty for delinquency.** Unless suspended or canceled under the  
 24 provisions of 10-1-606 or Title 15, chapter 24, part 17, all taxes levied and assessed in the state of Montana,  
 25 except assessments made for special improvements in cities and towns payable under 15-16-103, are payable  
 26 as follows:

- 27 (1) One-half of the taxes are payable on or before 5 p.m. on November 30 of each year or within 30
- 28 days after the tax notice is postmarked, whichever is later, and one-half are payable on or before 5 p.m. on May

1 31 of each year.

2 (2) Unless one-half of the taxes are paid on or before 5 p.m. on November 30 of each year or within  
3 30 days after the tax notice is postmarked, whichever is later, the amount payable is delinquent and draws  
4 interest at the rate of 5/6 of 1% a month from and after the delinquency until paid and 2% must be added to the  
5 delinquent taxes as a penalty.

6 (3) All taxes due and not paid on or before 5 p.m. on May 31 of each year are delinquent and draw  
7 interest at the rate of 5/6 of 1% a month from and after the delinquency until paid, and 2% must be added to the  
8 delinquent taxes as a penalty.

9 (4) ~~(a)~~ If the date on which taxes are due falls on a holiday or Saturday, taxes may be paid without

12 ~~are paid within 20 calendar days of the date on which the taxes are due, the taxes may be paid without penalty~~  
13 ~~or interest. If a tax payment is made later than 20 days after the taxes were due, the penalty must be paid and~~  
14 ~~interest accrues from the date on which the taxes were due.~~

15 (5) (a) A taxpayer may pay current year taxes without paying delinquent taxes. The county treasurer  
16 shall accept a partial payment equal to the delinquent taxes, including penalty and interest, for one or more full  
17 tax years if taxes currently due for the current tax year have been paid. Payment of taxes for delinquent taxes  
18 must be applied to the taxes that have been delinquent the longest. The payment of taxes for the current tax  
19 year is not a redemption of the property tax lien for any delinquent tax year.

20 (b) A payment by a co-owner of an undivided ownership interest that is subject to a separate  
21 assessment otherwise meeting the requirements of subsection (5)(a) is not a partial payment.

22 (6) The penalty and interest on delinquent assessment payments for specific parcels of land may be  
23 waived by resolution of the city council. A copy of the resolution must be certified to the county treasurer.

24 (7) If the department revises an assessment that results in an additional tax of \$5 or less, an  
25 additional tax is not owed and a new tax bill does not need to be prepared.

26 (8) The county treasurer may accept a partial payment of centrally assessed property taxes as  
27 provided in 76-3-207."
