October 29, 2019

Pursuant to section 2-4-305(9), MCA, on October 29, 2019, the State Administration and Veterans' Affairs Interim Committee objected to the proposed changes to ARM 2-13-407 contained in Montana Administrative Register Notice No. 2-13-592. The committee will revisit the rule proposal and its objection at its next committee meeting on December 3, 2019.

The Committee welcomes the opportunity to further discuss the proposed rule amendments with you or your staff before considering whether to renew its objection, including whether and how the Department proposes to adjust the proposed rules in light of the Committee's conversation at its October 29, 2019, meeting.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Wendy McKamey".
