Exempt Claim Fillings under SB355 (filing period Oct 1, 2013 - May 7,2017)

The DNRC received 2,537 statements of claims including 390 for domestic wells and 2,147 for livestock drinking from groundwater sources or directly from surface water streams and lakes.

Exempt Claim Fillings under HB110 (filing period May 7, 2017 – June 30, 2019)

The DNRC received 25,211 HB110 claims. The department has completed initial data entry for 21,255 of these claims. Only 3,956 claims require further entry of initial data to be accessed through the Water Right Query System used by the public to research water right information. This data entry is a high priority for the Adjudication Bureau.

From July 1st, 2019 through April 30, 2020 DNRC Adjudication Bureau staff have worked for 17,374.75 hours on HB110 claims. This work includes data entry, claim examination and claimant contact to resolve questions about these claims.
