12
13 **NEW SECTION. Section 1. Emergency protective service hearings -- findings -- report to**

14 **interim committee -- working group.** (1) The legislature finds that district courts concerned about high
15 numbers of child abuse and neglect cases have undertaken federally grant-funded pilot projects to institute

17 (a) the manner and timeliness with which the cases are handled; and

18 (b) the outcomes for children and families involved in the child protective services system.

19 (2) The legislature further finds that the district courts and the office of court administrator are
20 collecting data to evaluate the effectiveness of the pilot projects, including whether the pilot projects have led to
21 quicker reunification of families or resulted in permanency for children more quickly.

22 (3) The legislature further finds that the information collected as part of the pilot projects would assist
23 the legislature in determining effective approaches to:

24 (a) reducing the number of children in out-of-home care;

25 (b) reducing the length of time children who are removed from the home spend in out-of-home care;

2 the results of the pilot projects to the 2021-2022 children, families, health, and human services interim
3 committee no later than September 30, 2021.

4 (5) (a) If the preliminary results indicate that the pilot projects improved outcomes in child abuse and
5 neglect proceedings, the interim committee shall create a working group to undertake the following activities

12 carry out the pilot projects in other regions of the state.

13 (b) The working group must be composed of:

14 (i) at least two committee members, one from each political party as selected by the presiding officer
15 of the committee;

18 (B) the office of state public defender;

19 (C) court-appointed special advocates;

22 (F) the court improvement program; and

23 (G) the public; and

24 (iii) one person with experience in requirements and procedures relating to the Indian Child Welfare
25 Act.

26 (c) (i) The presiding officer of the committee shall appoint the nonlegislative members based on
27 recommendations from associations or agencies representing the entities listed in subsection (5)(b).

28 Appointees should have experience with child abuse and neglect proceedings.

1 (ii) At least two of the appointees must be from rural communities.

2 (6) (a) A nonlegislative member of the working group who is not a full-time salaried officer or
3 employee of the state or a political subdivision of the state is entitled to salary and expenses to the same extent
4 as a legislative member.

5 (b) A working group member who is a full-time salaried officer or employee of the state or of a political
6 subdivision of the state is entitled to reimbursement for travel expenses as provided for in 2-18-501 through 2-
7 18-503.

8 (7) The children, families, health, and human services interim committee shall report to the legislature,
9 as provided in 5-11-210, on the recommendations of the working group.
