

## Conditional Release Preauthorization Information:

Between August 12, 2019 and August 27, 2020, DOC processed 147 Conditional Release Preauthorization Requests for offenders convicted of Sexual or Violent offenses. Of those requests, 20 (14%) were denied due to one or more of the following reasons:

- The offender had simultaneous disciplinary issues
- The offender refused their placement
- Updated and/or additional information about the case was requested
- Severity of the offense
- Victim opposition
- Significant criminal or placement histories
- History of noncompliance in placements or on supervision
- Behavior in the jail prior to placement at the assessment center
