

During the July 14, 2020 presentation on Placement of DOC Commits, the CJOC requested additional information about the 841 offenders who had been placed at an Assessment Center during all of FY 2019 and FY 2020, through May. Upon further review of those 841 offenders, they were placed as follows. This information was previously provided for the September 15, 2020 CJOC meeting in a pie chart format and this is a table of the same information.
