 RE: Reports from agencies for September
 DATE: July 19, 2022

Unless otherwise directed in statute, reports to the legislature, including reports to specific interim committees, are biennial reports and need to be submitted by September 1 of the year preceding a legislative session. In the case of reports to interim committees, the report may be presented orally to the committee rather than in written form, though the committee can request the preparation of a written report as well.

Reports that are statutorily required to be submitted to the EAIC are listed in the table below.
