

County Interdisciplinary Child Safety Team

September 1, 2022

Montana Statute 52-2-211, MCA requires county superintendents provide OPI by September 1 a copy of a written agreement establishing the county interdisciplinary child information and school safety team. Annually, the OPI reports to the Education Interim Committee any county without a written agreement by the deadline.

All counties are in compliance. As of August 29, 2022 confirmation of agreements have been received by OPI.
