**AGENCY/BOARD:** Secretary of State

**RULE CLASSIFICATION:** (e.g., substantive/interpretive/emergency/temporary): Substantive

**SUBJECT:** Business Services Filing Fees

**NOTICE DESCRIPTION:** (e.g., proposal notice/adoption notice): Notice of Public Hearing on Proposed Adoption and Amendment

**SUMMARY OF RULE(S):**

The Secretary of State proposes to amend five rules pertaining to Business Services' filing fees. The proposed changes reduce certain filing fees related to corporations, limited liability companies, limited liability partnerships, limited partnerships, cooperative associations, agricultural associations, cooperative agricultural authorities, and rural cooperative utilities. The Secretary of State proposes to reduce fees related to filing articles of incorporation and/or registration or certificates, articles of dissolution and/or termination, withdrawals and/or corrections or cancellations. Noting the record growth in new business filings and efficiencies provided by the online business filing system, the Secretary of State proposes to reduce these fees and "monitor the related impact." In addition, the proposed amendments eliminate fees for reprocessing paper documents because the fee "is no longer relevant and [is] unnecessary."

For fee increases or reductions, statute requires a fee impact statement. The impact statement provided by the Secretary of State follows, in full:
