2           (1) a considerable portion of the citizens of the state of Montana are American Indians;

3           (2) since statehood, Indian citizens of the state of Montana have lived on reservations set apart for

4 those purposes by the United States of America, and by virtue of their isolation and supervision by the federal

5 government, great problems of economic and social significance have arisen and presently exist;

6           (3) the best interests of Montana Indian tribes will be served by engaging in government-to-

7 government relationships designed to recognize the rights, duties, and privileges of full citizenship that Indians

8 are entitled to as citizens of this state;

9           (4) because the tribes are domestic dependent nations, agencies of the federal government retain

10 jurisdiction and a fiduciary duty throughout the state of Montana for the administration of economic, social,

11 health, education, and welfare programs for Indians;

12           (5) unique differences exist between the tribes, their reservations, customs, and treaties, and their

15           (6) there are sizeable numbers of off-reservation enrolled and unenrolled Indians residing in our state

16 whose needs for social, environmental, educational, and economic assistance are borne in part by state and

17 local agencies;

18           (7) programs of the state of Montana should not duplicate those supported by agencies of the federal

19 government or tribal governments with regard to jurisdiction of Indian people, because state responsibility

20 includes off-reservation Indians and because those Indians require assistance to coordinate their affairs with

21 various tribal groups and federal agencies where they have no official recognition;

22           (8) the state and the tribes working together in a government-to-government relationship and

23 engaging in compacts and other cooperative agreements for the benefit of Indian and non-Indian residents will

24 promote economic development, environmental protection, education, social services support, and enduring

25 good will;

26           (9) to facilitate the discussion and resolution of issues and concerns that Indian tribes have in relation

27 to the state, the federal government, and among themselves, the state director of Indian affairs, established in

28 2-15-217, shall:

- 1 (a) maintain effective tribal-state communications;
- 2 (b) assess tribal and individual Indian concerns and interests to seek ways and means of
- 3 communicating these concerns and interests to relevant state agencies and to the legislature and actively
- 4 assist in organizing these efforts; and
- 5 (c) act as a liaison for tribes and Indian people, whether the Indian people reside on or off
- 6 reservations, whenever assistance is required;
- 7 (10) the state director of Indian affairs shall endeavor to assist tribes to seek agreements between the
- 8 state and tribes and to work toward a consensus among the tribes and other parties on shared goals and
- 9 principles."

10  
11 **Section 6.** Section 90-11-102, MCA, is amended to read:

12 **"90-11-102. Duties and assistance.** (1) It is the duty of the state director of Indian affairs, established

13 in 2-15-217, to carry out the legislative policy set forth in 90-11-101.

14 (2) The state director shall:

- 15 (a) meet at least quarterly with tribal governments and become acquainted with the problems
- 16 confronting the Indians of Montana;
- 17 (b) meet with executive branch directors on issues arising between Montana's Indian citizens, tribes,
- 18 and state agency personnel and programs;
- 19 (c) report to the governor's cabinet meeting concerning issues confronting Indian people and tribal
- 20 governments;
- 21 (d) advise the legislative and executive branches of the state of Montana of those problems and
- 22 issues;
- 23 (e) make recommendations for the alleviation of those problems and issues;
- 24 (f) serve the Montana delegation in the federal congress as an adviser and intermediary in the field of
- 25 Indian affairs;
- 26 (g) act as a liaison for representative Indian organizations and groups, public and private, whenever
- 27 the state director's support is solicited by tribal governmental entities;
- 28 (h) serve on the state-tribal economic development commission established in 90-1-131; and

1 (i) report in detail at every meeting of the state-tribal relations committee those actions taken by the  
 2 state-tribal economic development commission established by 90-1-131 to carry out its duties; ~~and~~  
 3 ~~(j) hire, with the concurrence of the other members of the state-tribal economic development~~  
 4 ~~commission, a tribal business center coordinator and a federal grants coordinator, and subsequently provide~~  
 5 ~~administrative support for both positions.~~

6 (3) All executive and legislative agencies of state government may within the area of their expertise  
 7 and authority provide assistance to tribal councils or their official designees requesting assistance on any  
 8 matter relating to education, health, natural resources, and economic development on Indian reservation lands."

9  
 10 **NEW SECTION. Section 7. {standard} Repealer.** The following sections of the Montana Code  
 11 Annotated are repealed:

12 90-1-133. Comprehensive assessment on reservations.

13  
 14 - END -

15  
 16 "90-1-133. Comprehensive assessment on reservations. (1) The state-tribal economic development
