**Comment:**

I support the LAP access for dental hygienists to help patients in settings such as assisted living homes, and schools. I have practiced on Montana over 50 years as a clinical registered dental hygienist. There is a great need for help in these facilities. Please consider supporting this valuable service. I currently practice in Polson, and teach at Salish Kootenai College in Pablo in the dental assisting program. Feel free to reach out to me if you have any questions, or concerns.  
Sincerely Sharon Reidy RDH.
