

Facial Recognition Technology (FRT) Study

Study ideas

Use by schools in Montana; how is FRT being used in schools? How does it benefit Montana students and school districts? What third party vendors are providing FRT for use in schools? Are partnerships between school districts using FRT and law enforcement possible/beneficial?

Potential stakeholders: OPI, Montana School Board Association, Sun River Valley School District, third party vendors, others as requested by committee.

Use by law enforcement; how is FRT being used by law enforcement? What third party vendors are being used or considered? Does the FRT use outlined in SB 397 help or hinder law enforcement? Could FRT help to address certain crimes?

Potential stakeholders: Montana Sheriffs and Peace Officers Association, Montana Police Protective Association, MT Association of Chiefs of Police, DCI/MATIC, MT County Attorneys Association, others as requested by committee.

Other committee suggestions?
