RE:

HB693 Required Report

Attached is the report of open general civil cases (DV) required by 3-1-713, MCA. The report is directly generated from the Full Court case management system using the parameters of "every civil case in an open status" as of March 31, 2024. The report is broken down by Judicial District and counties within a given District. The committee should be aware of the following limitations to this report:

- Litigants filing a civil case have three years in which to serve the other party following the filing and opening of a case in the system. Cases reflected in this report may not yet be served on the responding party.
- Clerks of the District Courts are responsible for closing cases resolved either by
 a court decision or via other means (settlement agreements, party did not pursue
 the case, etc.). However, significant workloads in many county offices create
 administrative backlogs for clerks. You will note several more rural counties with
 a significant number of older open cases. It is highly likely these are not active
 cases, but cases that should be administratively closed by the Clerk of the
 District Court in that county.
